Mr. D. Bradford - Principal

Three years ago, Mr. Bradford and his family travelled from Quebec to take up residency in Edmonton so that he could become the principal of Bonnie Doon. Besides his administrative duties he is actively involved in the school's athletic program. He coaches both cross-country and track and field and also plays on the staff hockey, volleyball, basketball and softball teams.

Mr. Bradford feels that the most important role of a High School principal is that of instructional leadership. This implies giving assistance to the teachers and to evaluate the programs being offered to the students. In general, it is to see that the operation of the school is such that it provides the best facilities and conditions that will not only promote good learning habits but will also create an enjoyable environment in which to learn.

As for the feasibility of the semester system, Mr. Bradford stated that for the majority of students it is not the most favorable option. It does not necessarily lead to the students having sufficient time to get steeped in the subject areas they are studying. It is perhaps good for the more advanced student who can pick up a subject very quickly.

He wasn't sure that the school spirit in the High Schools was low but rather that the interest of the students getting involved in school activities was

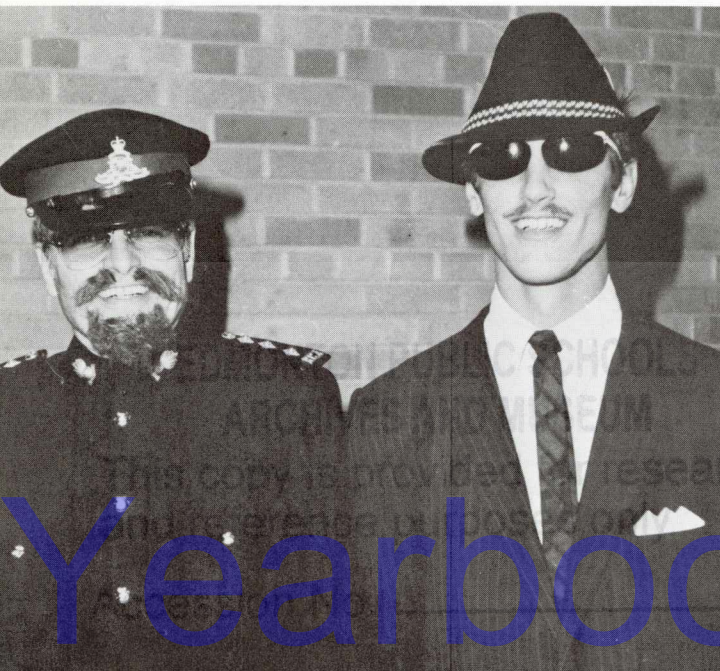

low. There are causes which have nothing to do with school. There are those who work after school and do not have the time to get involved in school activities. This is the crux of the matter.

Although we came close to making a change to the 64 minute class in place of the usual 80 minutes, Mr. Bradford stated that there were some stipulations which made it impossible to implement at the time.

According to Mr. Bradford, there are three possible reasons to account for our declining school population. One is the general trend of people moving to the outlying areas such as Sherwood Park. Second, we don't have the full range of vocational programs to offer a student as does Harry Ainlay. A third possible cause is that McNally did a very good job of marketing their school programs to the feeder schools.

His most memorable experiences so far at Bonnie Doon have been the ones that have been interesting and fun to look back on. In general, those which deal with working with the students be it track and field or with the staff playing a hockey game or at awards night or walking down the hall or seeing one's car decorated from stem to stern because it was his birthday which seemed to say - "you're one of us!"

Mr. D. Johnson

Ms. N. Kreutz

The overall goal is to assist students to develop effective approaches to learning, to acquire problem solving and decision-making skills, and to apply what has been learned towards practical day-to-day situations and towards educational and career decision-making. Counselling services are intended to assist students to deal effectively with the concerns and difficulties which stand as obstacles or barriers to their educational progress and personal growth.

School Resource Officer

A newcomer to Bonnie Doon who quickly became familiar to both students and staff was Constable D. Eastcott - our new School Resource Officer. Motivated by a desire to work with people and in particular the younger generation, he joined the Edmonton City Police force three years ago. This year marked his first venture into the field of a School Resource Officer. He not only takes care of BDCHS but also the Junior and Senior High schools within the area.

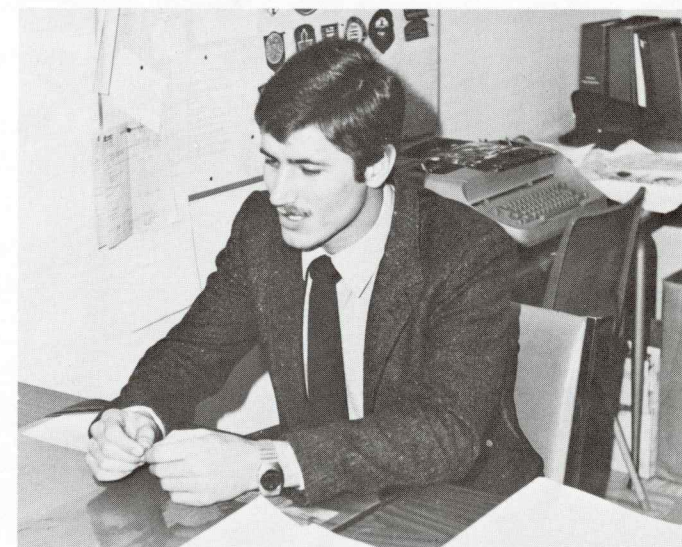

Besides carrying out his official duties in the school, he is a familiar figure not only at our dances, school games and special events but also on the football field helping to coach the team. In spite of his very busy schedule, he manages to have time for "his boys" from the Boys' and Girls' Club. There was an excellent account of the work that he does with the club in the Edmonton Journal. He also loves to go camping, hiking and fishing.

The Dance-a-thon was a great success according to Officer Eastcott. He felt that the students organized it so well that it is one of the events that should be repeated in the future.

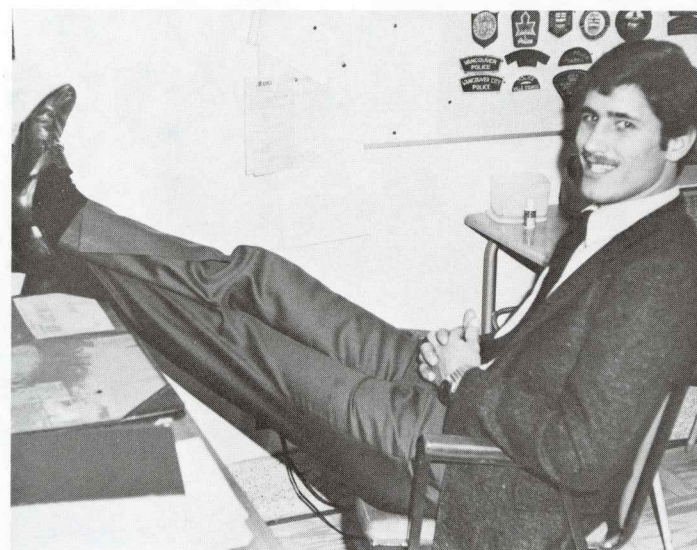

We hope that Officer Eastcott will be an integral part of the staff at BDCHS for the next two years.

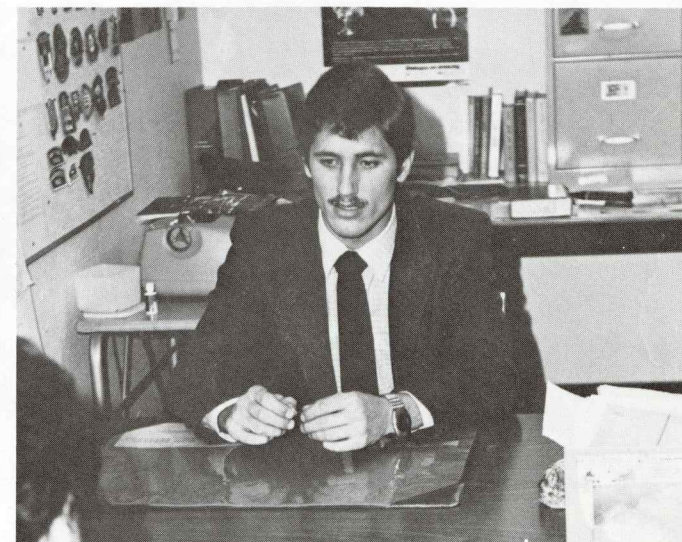

Did you know that he is a cop?

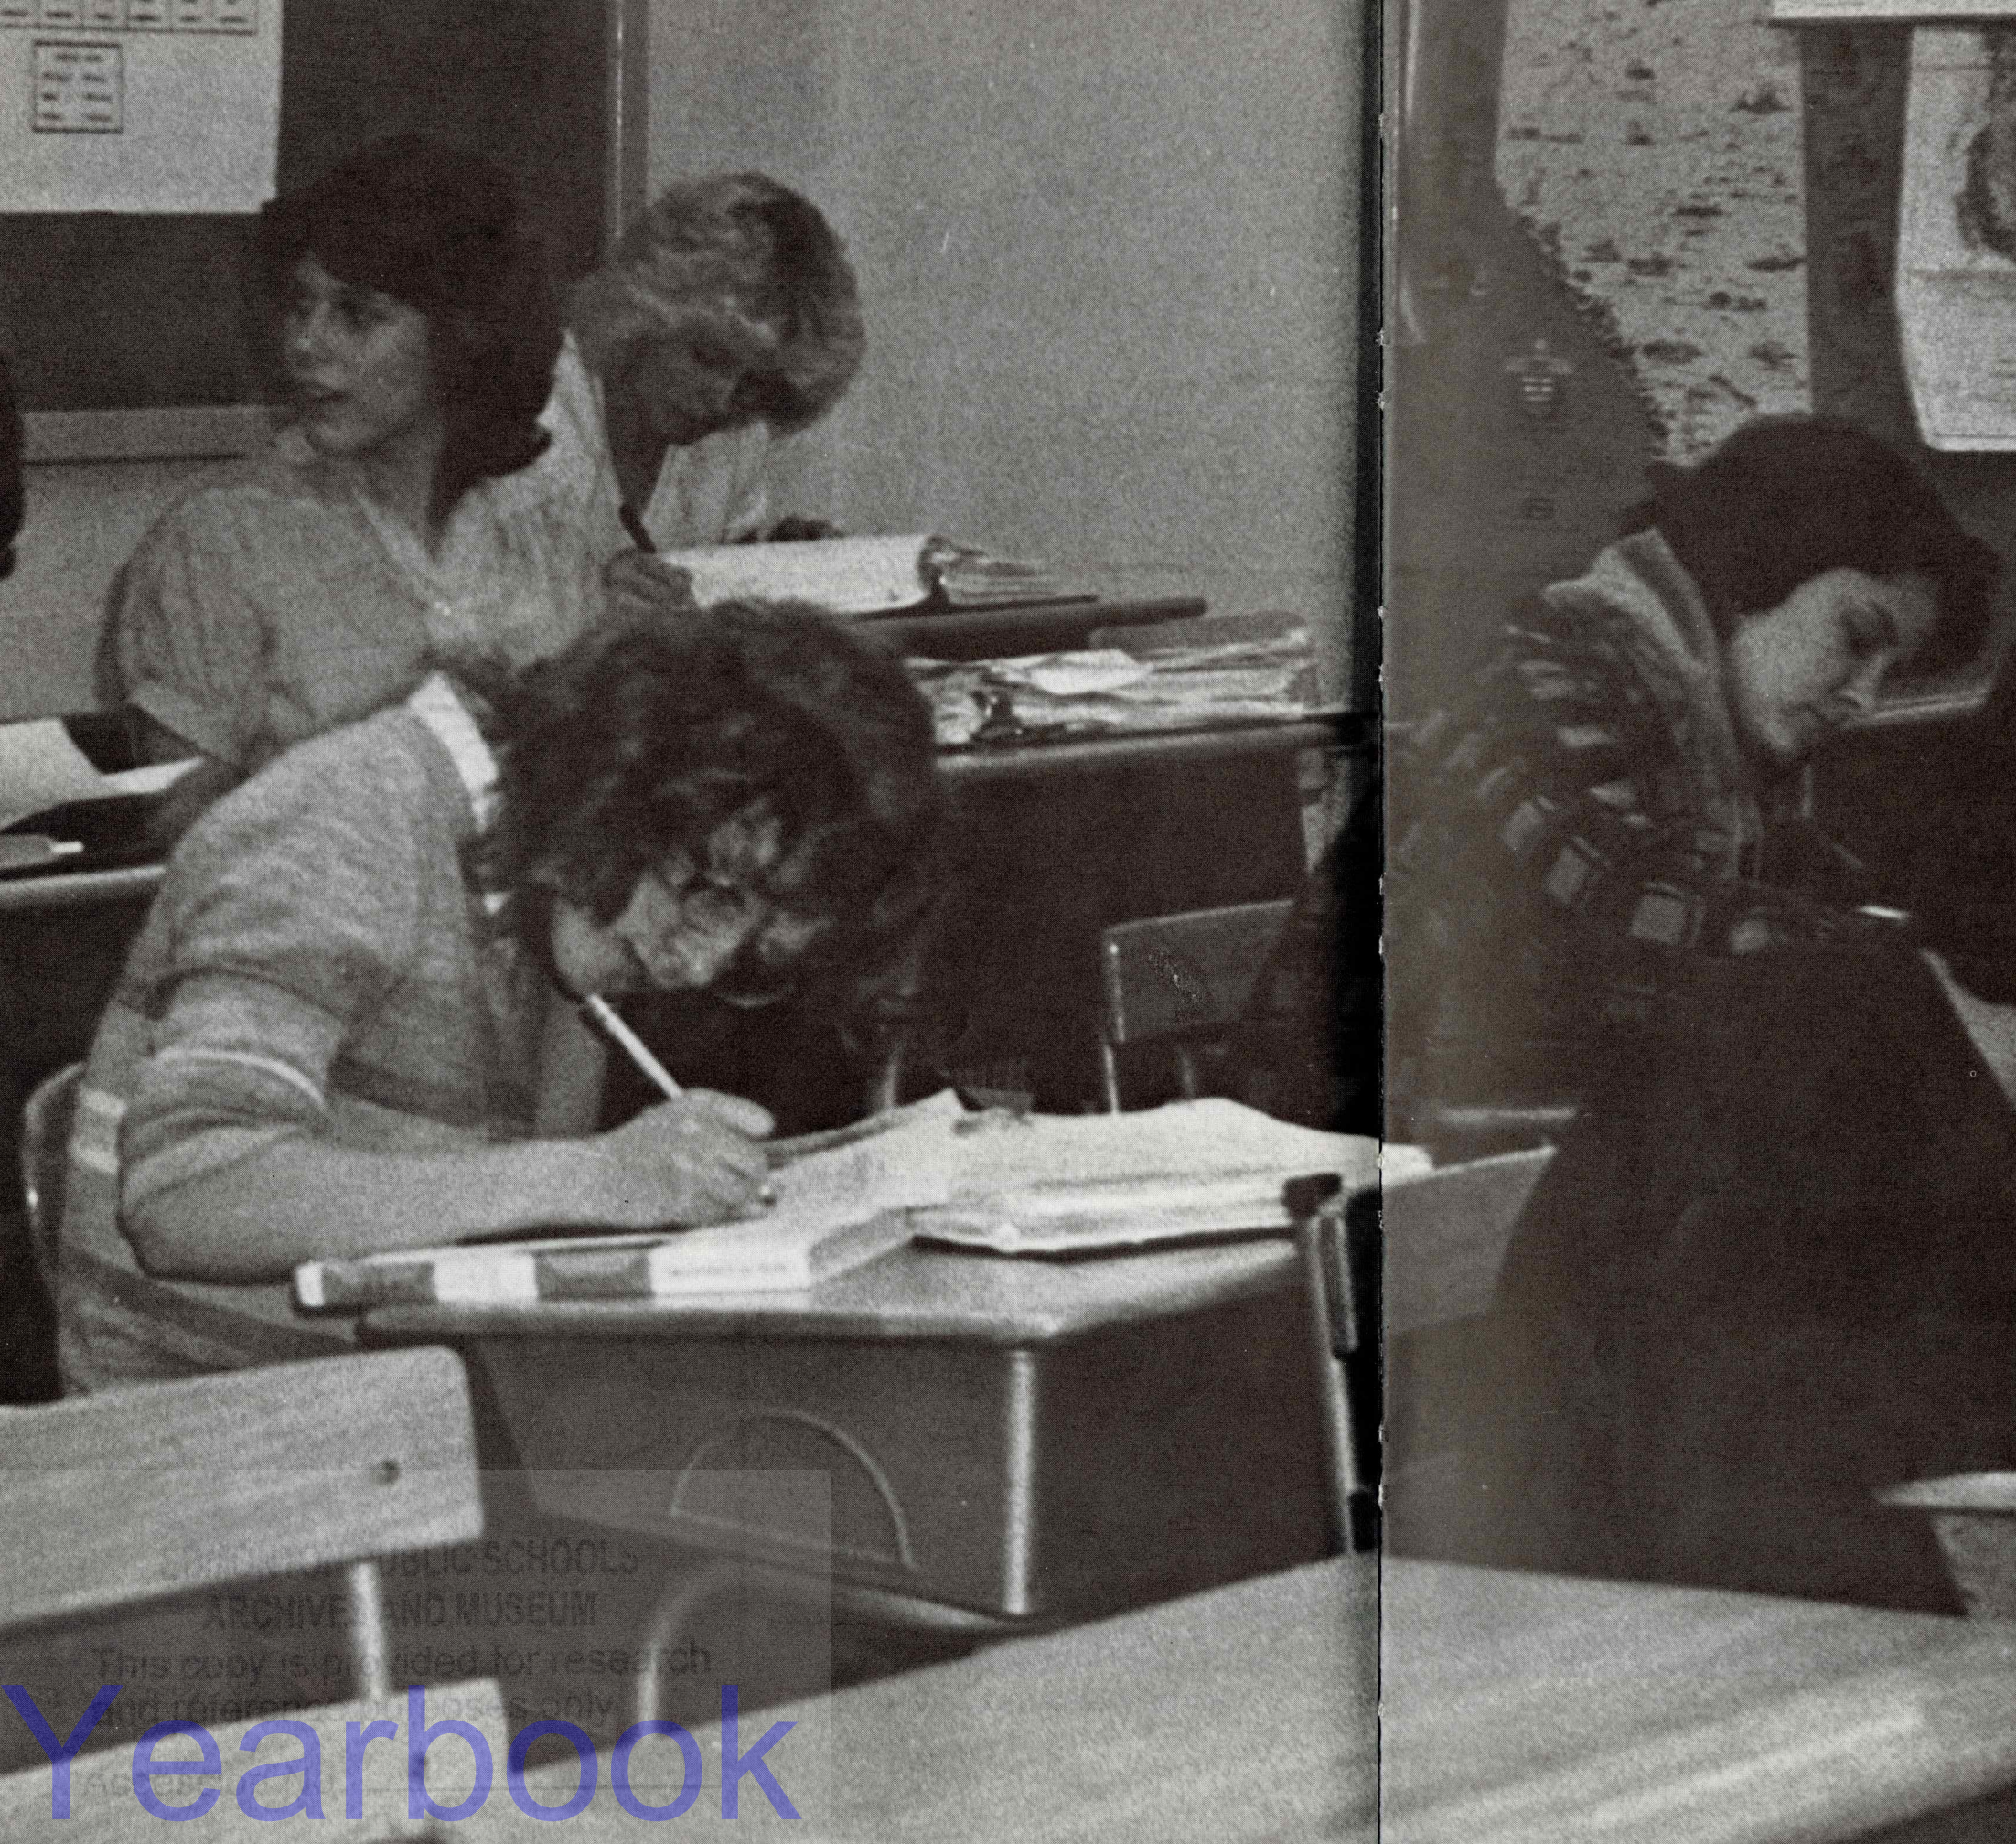

I'll have to think about that question.

Now that the interview is over I can relax!

I really enjoy doing the class lectures.

To know Christ and to make him known in the school is the purpose of the INTERSCHOOL CHRISTIAN FELLOWSHIP CLUB. They do this by partaking in films, Bible studies, discussions and games.

BACK ROW: Marlies Wittmeier, Linda Hochreuther, Mike Goodman, Lynda Stewart, Donna Dancocks, Anita Schwab, Shireen Mohammed, and Ms. N. Kreutz, Advisor.
FRONT ROW: Mrs. L. Brose, Advisor; Heather Harke, Karen Plitt, Barb MacGillivray.

All the pictures in this Yearbook are due to the efforts of Mr. Gainer and the members of the PHOTOGRAPHY CLUB. While taking pictures of the various school activities they are trying to improve their skills in the hobby of photography. Future activities - to take over the school!

STANDING, Left to Right: Chris Menard, Milena Mirjanic, Ed Fong, Janet Khalil, and Mr. F. Gainer, Advisor.
KNEELING: John Phillips and Leo Boyer.

The members of the FRENCH CLUB hope to become more fluent in the French language. In order to accomplish this, they make French food, partake in cultural activities, play games, sing songs and sell their well known and sought after Candygrams.

BACK ROW: Mrs. M. Simpson, Advisor; Grace Sweet, Maureen Hall, Tatjana Mockel, Heather Harke, Chris Leier, and Ms. McQuire, Advisor.
FRONT ROW: Brian Delamater, and David Wright.

RADIO BONNIE DOON entertains the students with a variety of music before classes start in the morning and during the lunch hour. Occasionally, they provide music for the school soc-hops.

BACK ROW: Milena Mirjanic, Tatjana Mockel, Sheila Bryant, Bill Clark, Bob Tremblay, and Sjur Thronndson.
CENTER ROW: Cathy Figol.
FRONT ROW: Fay VanAlstine, Anja Dohmeyer, and Karen Enter.

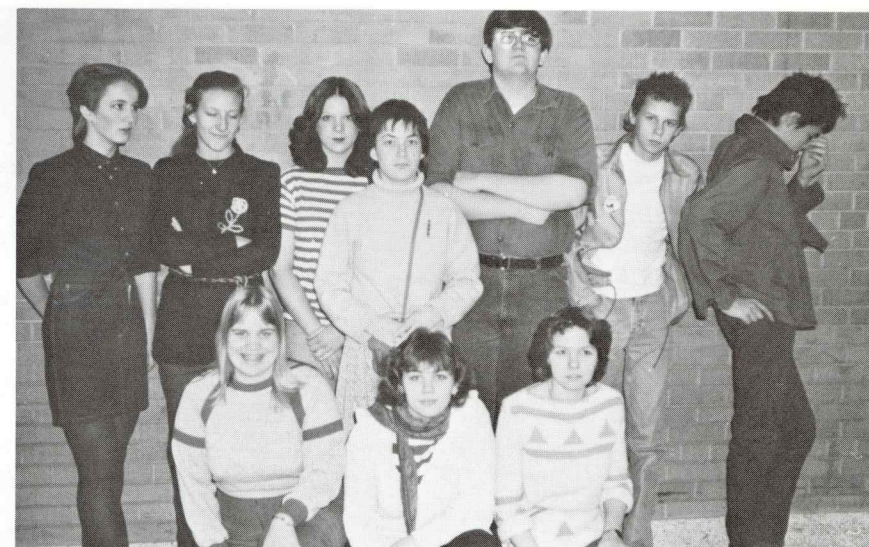

The members of the REACH FOR THE TOP CLUB were given the chance to be seen on the CBC television program. Before the actual challenge and taping in October, the members studied question packs that had been prepared for their practice sessions. Although they did not reach the finals, we at Bonnie Doon are proud of the effort displayed by this club.

LEFT TO RIGHT: Mr. L. Barnes, Advisor; David Wright, Jane Thrall, Ed Fong, Ed Yee and Mr. E. Armstrong, Advisor.

Our school newspaper, the BONNIE DOON THISTLE, gives the students at Bonnie Doon a chance to voice their opinions on various topics and at the same time something to read. The club gives its members a chance to see how a newspaper is created and also the idea of journalism.

STANDING, Left to Right: Mr. J. King, Advisor; Milena Mirjanic, Sjur Thronndson, Tatjana Mockel, Jane Thrall, Editor; and Bob Tremblay.
SITTING: Cathy Figol.

The SPIRIT COMMITTEE was a group of students who got together to promote the green and gold spirit of Bonnie Doon.

LEFT TO RIGHT: Tracey Gullekson, Diane Molzan, Ron Kwan, Heather Rosell, Enid Murphy, and Leslie Dawson.

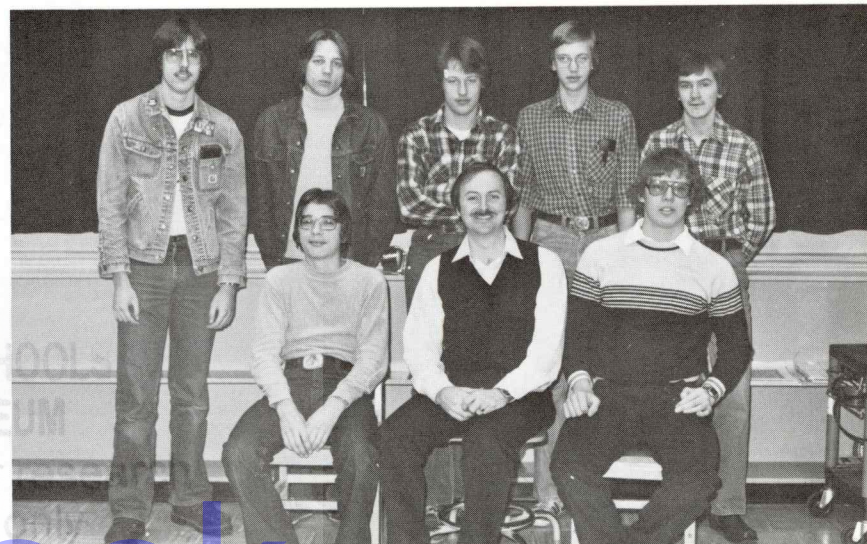

A totally new group of CHEER-LEADERS and different uniforms marked this year's cheerleading squad. They not only led the cheers at the school games but also participated in competitions and put together a routine for a publicity venture sponsored by McDonalds. The cheerleaders put in a lot of effort and added a great deal to our school spirit.

BACK ROW: Janell Robertson, Heather Rosell, and Seanna Chesney.
CENTER ROW: Karen Lessard, Lori Assheton Smith, and Jan Dawson.
FRONT ROW: Kamila Caslavsky.

Although the CURLING CLUB was small in numbers this year, they had a lot of fun each Wednesday after school. The game is a lot more challenging than it looks at first glance and all of the curlers have improved their skills of the game over the course of the year. They hope to have more participation in the club next year.

BACK ROW: Alan Porter, Kim Wilson, Dwayne Schmidt, Victor Tasa, and John Book.
FRONT ROW: Gary Kosh, Mr. J. Edey, Advisor, and Scott Sinclair.

Our INTERSCHOOL CURLING TEAM played a twelve game schedule against other High Schools in the city curling league at the Sportex. Congratulations are due the team (which also includes Greg Wyuli) since they finished the season in third place.

LEFT TO RIGHT: Mr. J. Doty, Norm Claffey, Darrel Alger, and Ken Stanski.

BADMINTON at Bonnie Doon has a two fold purpose; to provide a recreational outlet for any student who wishes to play and a competitive opportunity for those who wish to increase their skills and compete against other schools locally and provincially. Badminton is and continues to be an important part of the athletic program in the school, serving the needs of many students.

BACK ROW: Harshad Patel, Colin Joseph, Michael Pfisterer, Malvinder Gahir, Les King, Ken Scholes, Minh La, Surinder Padem.
FRONT ROW: James Der, Gurinder Paul, Nicolette Vincent, Leroy Mitchell, Sindy Stachowski, Mr. J. King, Gary Batista.

Approximately 100 students belong to the BONNIE DOON SKI CLUB which is open to all students who are interested in Alpine skiing. Four trips were planned during the winter months - two to Sunshine and one each to Lake Louise and Marmot. Mr. H. Ross, the advisor, was ably assisted by Mr. K. Luchkow, Mr. D. Senuik, Mrs. I. Candler and other interested staff members.

They Refused to Give Up!

THE SENIOR FOOTBALL team's record this season was three wins and five losses - finishing in 6th place overall. Considering the injuries that occurred to key personnel and the strength of the team, the coaching staff feel that this was a reasonably successful season.

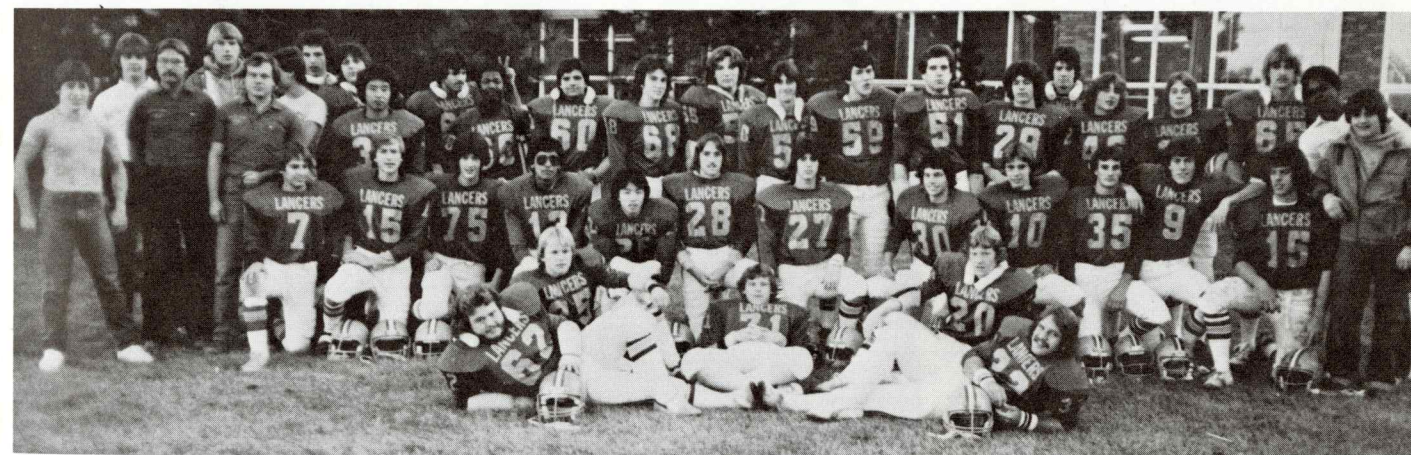

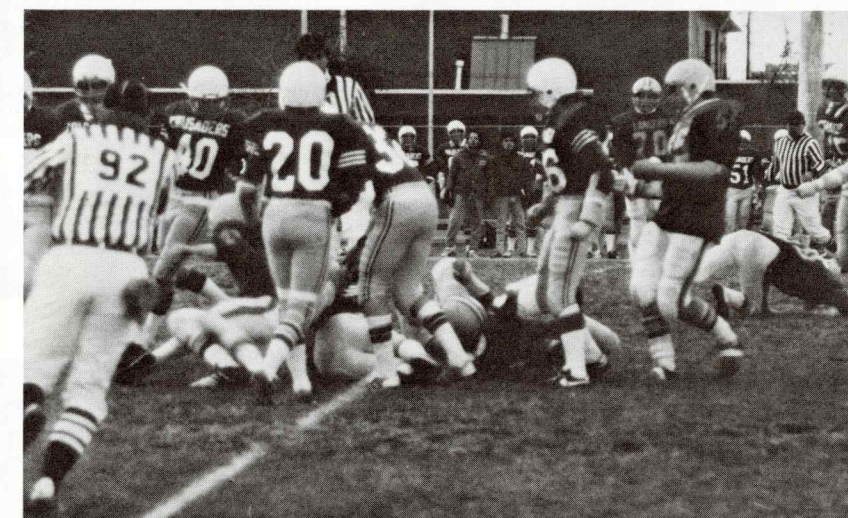

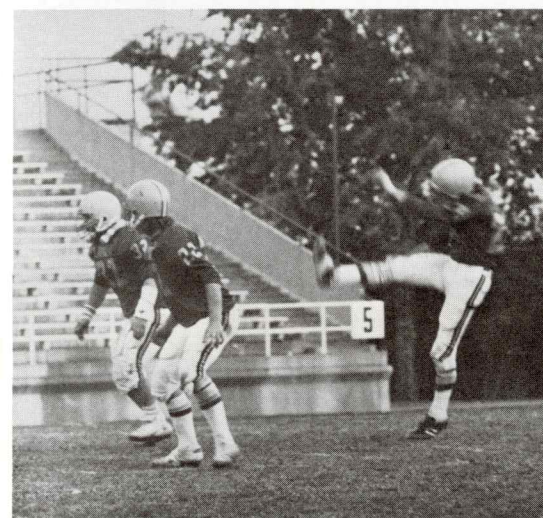

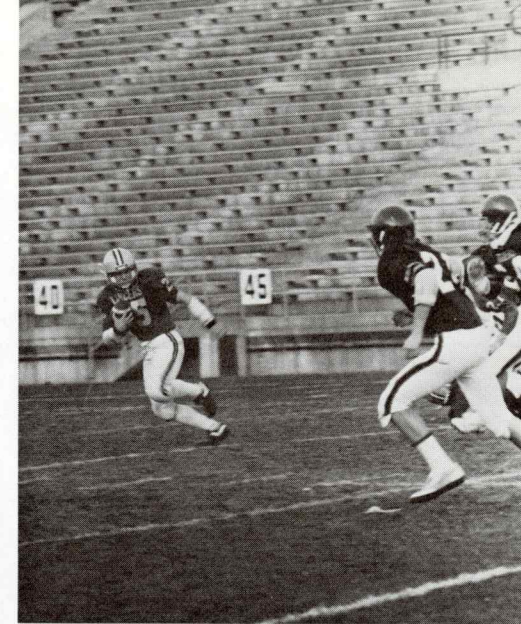

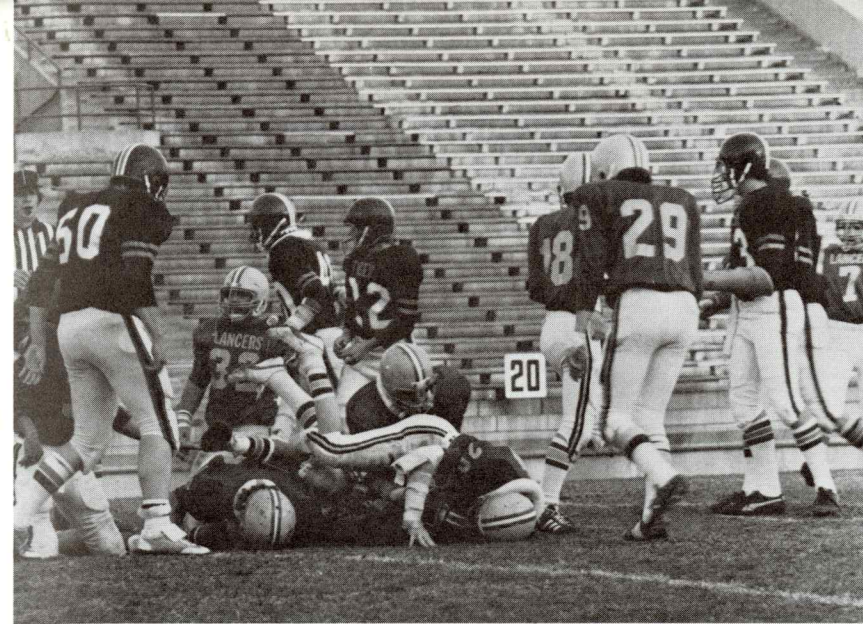

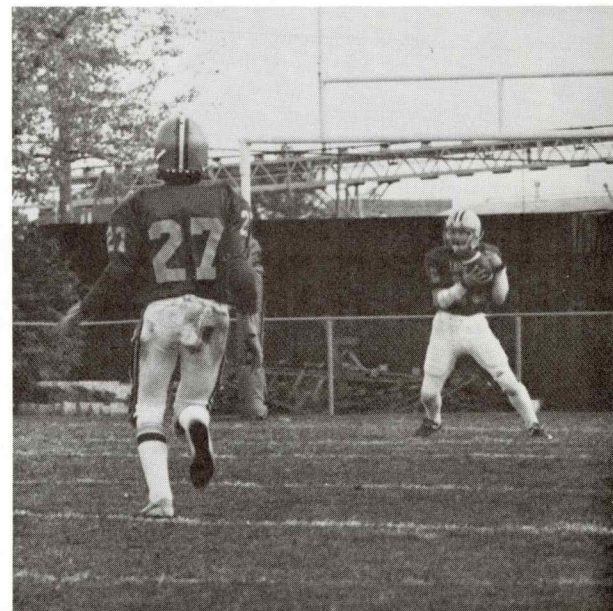

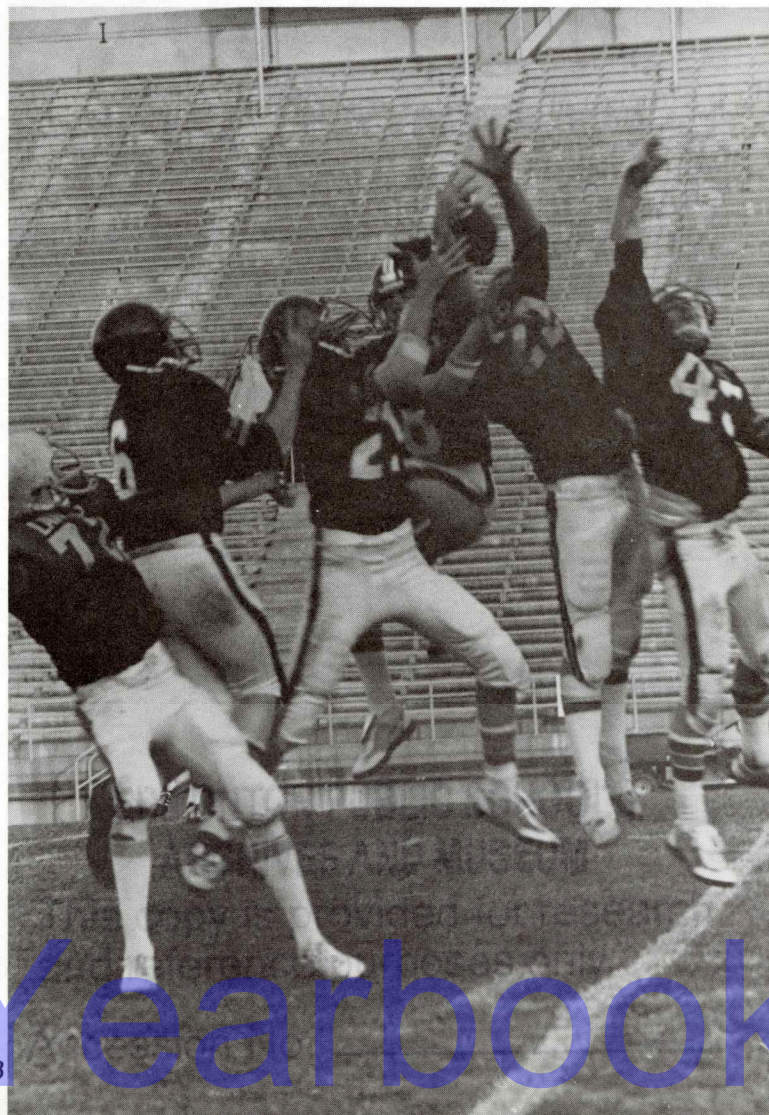

The team had seven returning players and consisted of many players who had no previous playing experience. These factors made the season very interesting and exciting with the outcome of every game in doubt.

The team showed steady improvement throughout the season and played with enthusiasm and desire.

Despite losing the first three games of the season, the team refused to quit and won three of the remaining five games. By the end of the season the team was playing fine Football and looking forward to a much improved season next year.

Unfortunately, because of a very small turnout of students for the teams, there was not a Junior Football team fielded at Bonnie Doon this year.

The coaches warn that if the Football program is to continue at Bonnie Doon, many more students must try out for the Football teams. This is unfortunate, since we have had a long and proud history in Football.

Close - Hard Fought Games

ALTHOUGH THE JUNIOR TEAM did not win the City Championship, they did have a very successful season. In tournament play, they lost to Scona in the finals. This resulted in a fifth place standing in the Grant MacEwan Senior Tournament - quite an achievement. In League play they were never less than third place while leading the Premier Division on two occasions. Unfortunately after winning in the quarter finals, they lost a close and hard fought game in the semi-finals to Scona.

THE SENIOR TEAM had a good year finishing fifth in the Premier Conference after League play. In the play-offs they lost out to McNally (3-2), the team that eventually won the City championship. The Seniors played Harry Ainlay twice in League play and beat them both times - not bad considering Harry Ainlay won the Provincial 4A title. The team also entered two tournaments, one at McNally and one in Saskatoon. In Saskatoon, they finished 6th out of 36 teams.

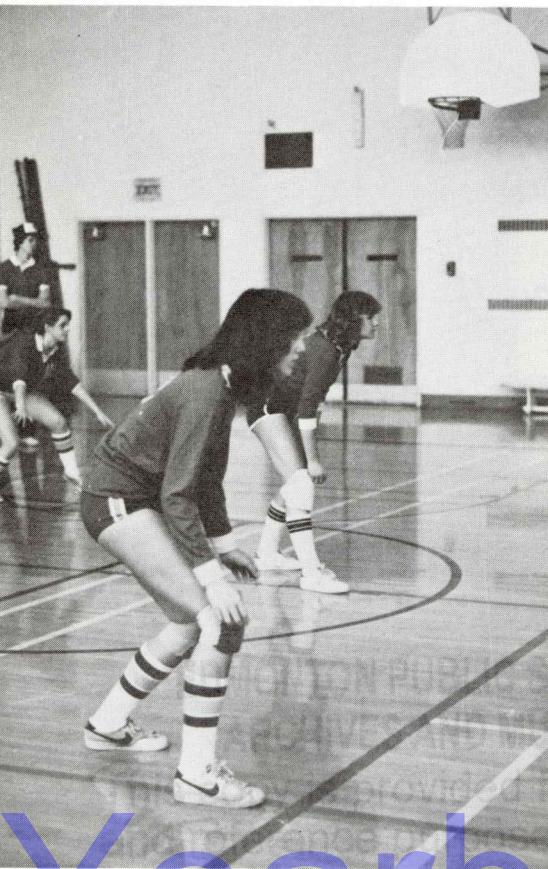

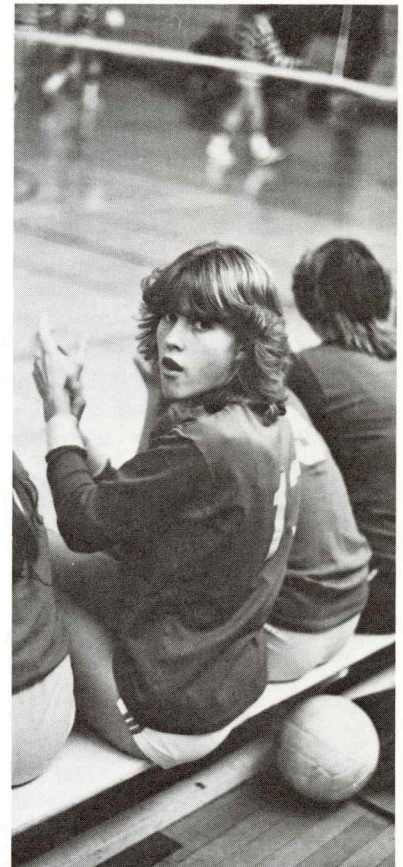

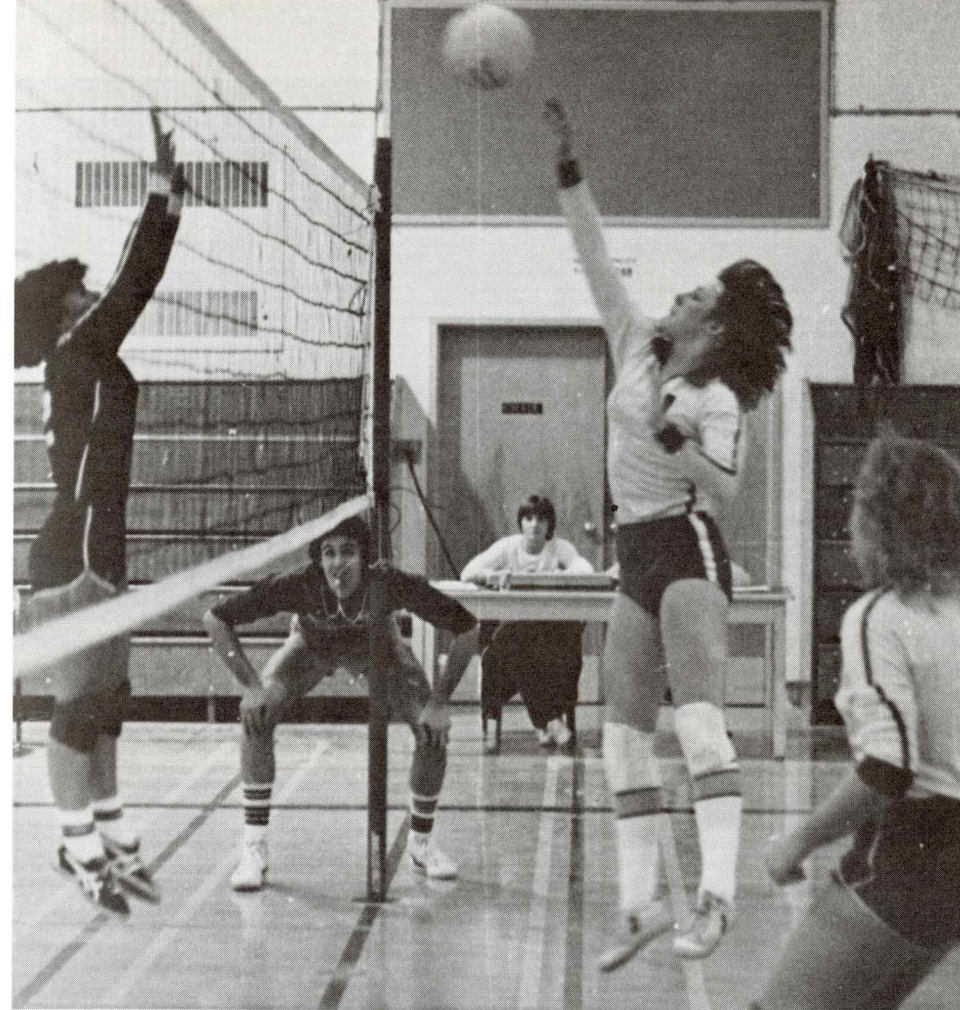

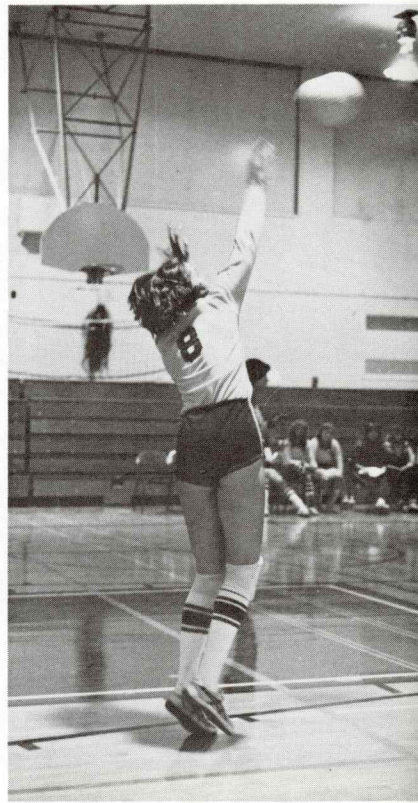

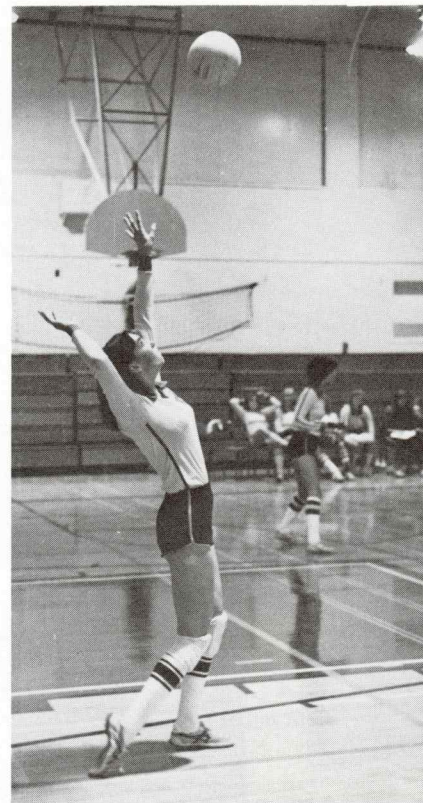

Junior and Senior Girls' Volleyball

A Successful Season

THE JUNIOR GIRLS had a very good season, winning the majority of their games. They worked their way to the First Division by the end of the season and finished fourth out of 20 teams in the League. All of the team members improved their skills considerably over the season.

THE SENIOR GIRLS made it to the semi-finals and the finals. In the semi-finals, they defeated Archbishop O'Leary three games to one. In the finals, they lost their three games to McNally. Their standing at the end of the season was second in the City League. A highlight of the season was finishing third in the Provincials.

Junior and Senior Boys' Basketball

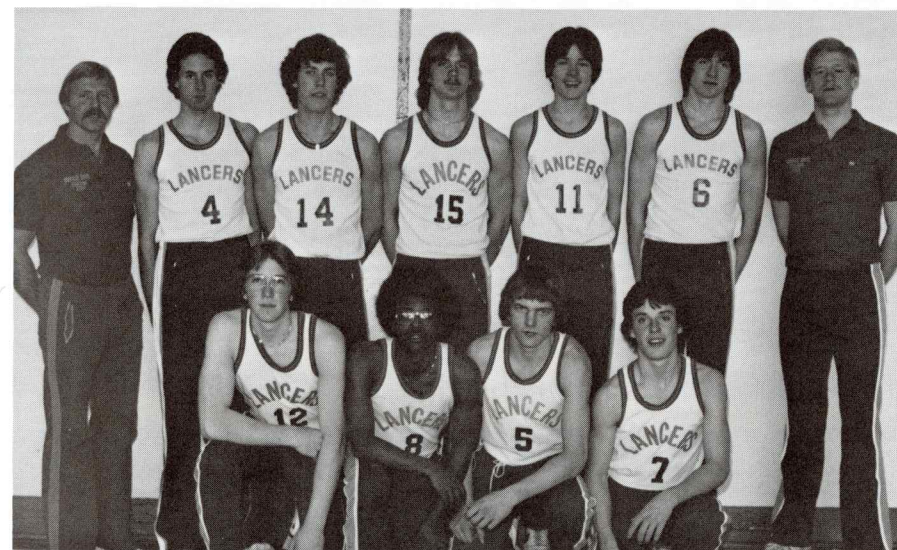

Good Prospects

THE JUNIOR BOYS' season started out well enough and it looked like the Junior Lancers would finish the season above five hundred. But, in the second half of the season, the lack of experience caught up with them. From the viewpoint of victories, they did not fare well, but many who would not have had an opportunity to play got their chance this season. Many of the players will graduate to Senior ball next year as the Senior team will require an influx of talent. Junior players to look for on next year's Senior team are Ted Davies, Steve Barnes, Mark Lotz and possibly Steve Wood - all Grade 10, while Norm Ritter and Dave Kinee as two year vets stand the best chance from the Grade 11's.

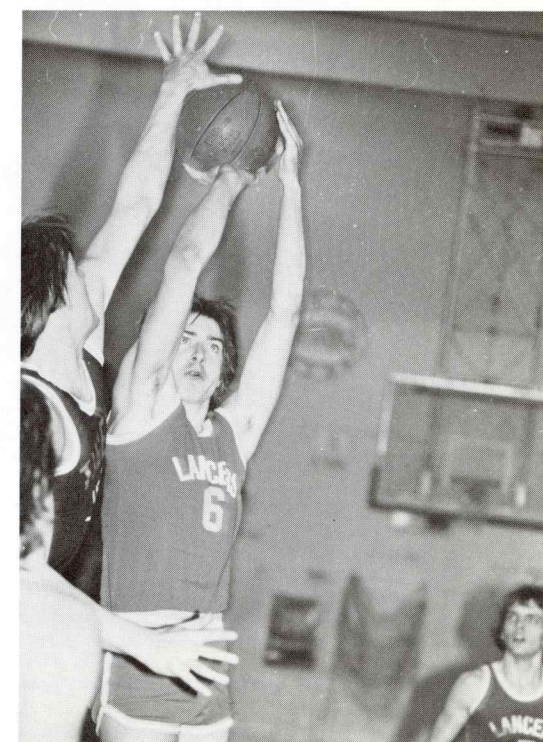

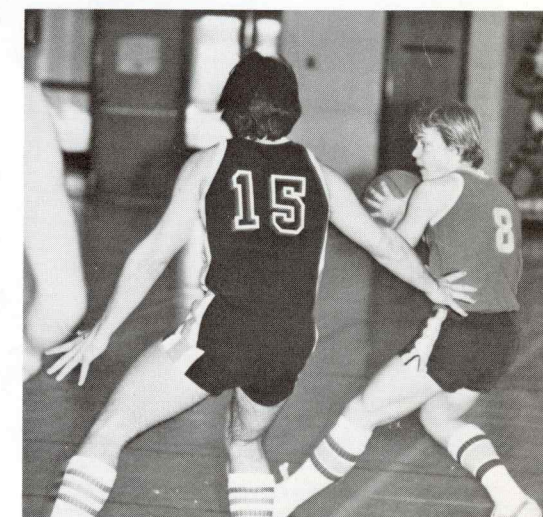

THE SENIOR BOYS had a good season taking into account the fact that there were only two players who returned from last year's team and was under a totally new coaching staff. Lots of enthusiasm was shown by the Senior team in the Rimby and Salisbury tournaments that they played in. The Senior Lancers finished the season tied for fifth in the Premier Conference and were the only team to beat St. Joseph's High - the team which finished first. They lost to Harry Ainlay by six points in the quarter finals of the playoffs. All in all - a good year with good prospects for next year.

JUNIOR TEAM

BACK ROW: Diane Fischer, Lynda Kobasiuk, Denise Bartz, Lisa Schweitzer, Jackie McLeod, Debbie Halverson, Pat Kehoe, Coach.
FRONT ROW: Heather Shepherd, Lisa Workun, Enid Murphy, Jan MacAndrew, Leslie Dawson.

Overall - A Very Good Season

THE JUNIOR GIRLS recorded 18 wins with only 3 losses out of the 21 games played in the League. Their status at the end of League play was 2nd.

They recorded wins against Harry Ainlay in the quarter finals and Austin O'Brien in the semi-finals. In the finals they were defeated by O'Leary.

THE SENIOR GIRLS recorded a 9-9 win-loss record for the season. In the quarter City finals, they lost to Archbishop McDonald 74-72.

In tournament play, they won the Consolation in both the CAPHER and SCONA Tournaments and placed second in the Grande Prairie Tournament.

Junior and Senior Boys' Soccer

This was a building year for the Junior Soccer Team. Since it was composed of mainly Grade 10's, it looks as if next year will also be a rebuilding year. Their most successful game was against Austin O'Brien. In spite of the fact that they were a hard-working team and played good field soccer, they just couldn't seem to make points on the score board. Although noon-hour practices were tried this year, they will become a thing of the past since after-school practices will become the norm next season.

BACK ROW: Stu Keen, Dave Bettenson, Dan Djukich, Stuart McCormick, Jay Dobberthien, Jasvinder Rai, Angie Celino, Manager; Herr Ulrich, Coach.
FRONT ROW: Marvin Kwan, Tom McKeaveney, Tracey Kepke, Dwayne Myrmo, Dave Boswell, Andy Clarke.
MISSING: Dave Lukawenko, Glen Bailey, Mark Lotz, Steve Wood, Brad Hutzkal, Randy Kerenyi.

Hard-Working Teams

BACK ROW: Ken Stanski, Manager; Mr. Buxton, Coach; Gary Goulden, Ray Jorgensen, John Bilawey, Blair Hodgetts, Greg Diewert, Roy Gruber, Steve Jorgensen, Coach.
FRONT ROW: Brian Daniels, Bernie Thomas, Lyle Funk, Darryl Haison, Pat Hodgins, Demetre Antonakis, Gary Higgs, Rich Bruyer.
MISSING: Darrel Tripp.

The Senior Soccer Team was composed mainly of Grade 12 players. Hence, next year will be a rebuilding year.

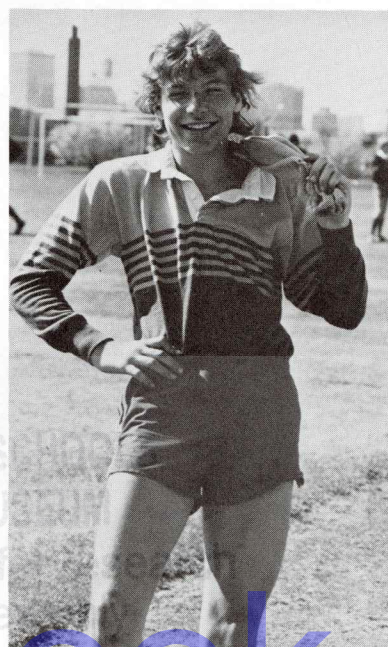

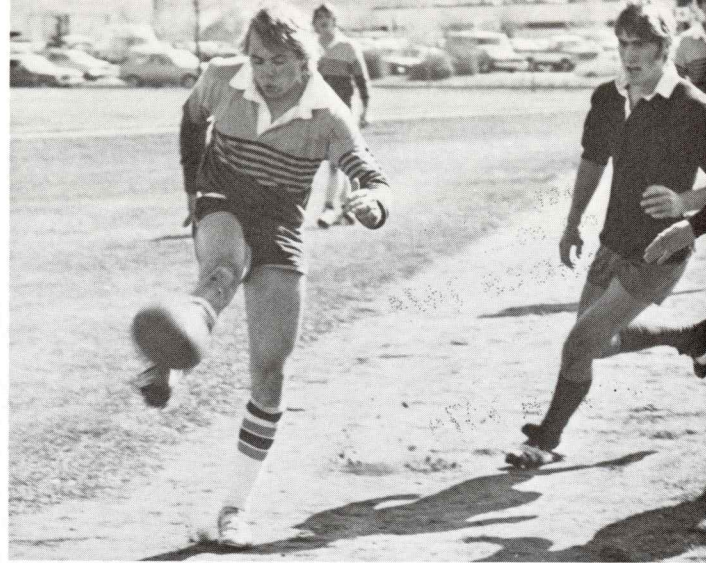

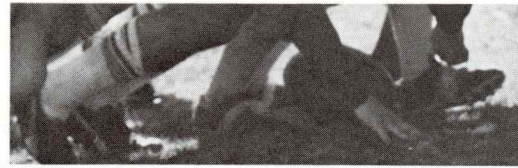

Although the team got off to a slow start in the first round of play - they were very successful in the second round. They were just edged out of the top place in the 3rd division by St. Francis Xavier.

The boys advanced to the playoffs in the City Conference. After defeating Archbishop Macdonald and M.E. LaZerte in the quarter and semi-finals respectively, they earned the right to advance into the city finals. The team lost their final game 3-0 against St. Francis Xavier. All in all, it was a very successful and satisfying season.

Rugby

'82

BACK ROW: Jeff Berry, Ted Hickey, Mike Kapalka, Jeff Lee, Paul Chapman, Brad Smith.
MIDDLE ROW: Mr. Senuik, Coach; Allan Paquet, Doug Blakey, Stu Lee, Neil Lepps, Ken Madden, Darren Moncrieff, Brian Plumptre, David Hendrickson, Mike Garner, Mitch Meda, Scott Aylwin, Wayne Vickery, Mr. Heffel, Coach.
FRONT ROW: Murray Small, Dean Galloway, Kelly Turner, Trevor Paul, Trent Ward, Gerry Whittaker, Dennis Akerstrom, Chris Mossing, Gord Schatull, John Rembish, Daryl Wilson, Dennis Mack.

Even though this was a rebuilding year, Bonnie Doon placed 2nd out of the 12 teams in the Rugby League. It was a very successful and enjoyable season. The team won 10 out of 11 games losing only to Paul Kane in the semi-finals. It was the first loss in two years of League and play-off games. A major highlight of the season was the 27-0 victory over the touring Ft. St. John Rugby team. The season was completed June 9th leaving next year's season as another rebuilding year since most of the players will be lost because many will graduate at the end of June.

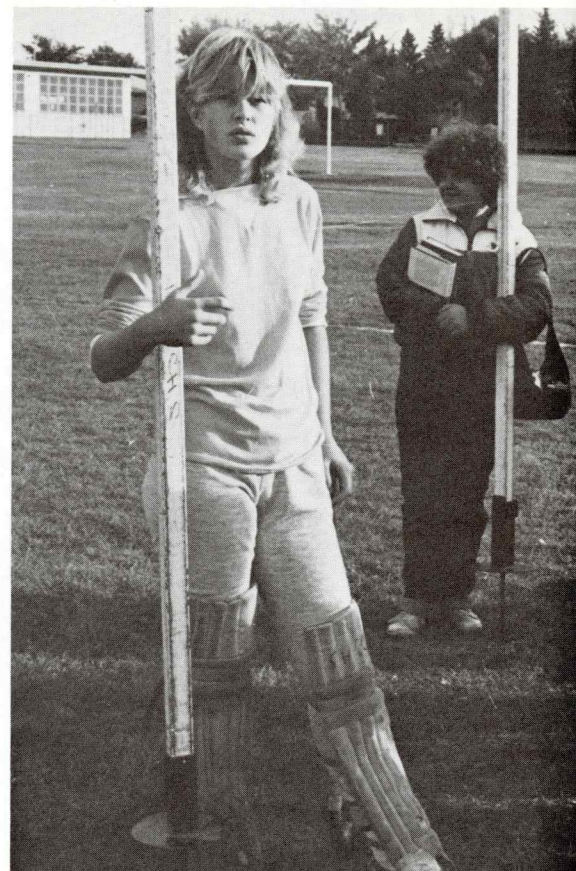

Girls' Field Hockey - Soccer - Handball Champions

This year the Girls' Field Hockey team did very well by winning the City Championship. The girls only scored five goals throughout the season, but it did not stop them from gaining the championship by playing good defensive hockey. Bonnie Doon was aiming for a trophy, in Field Hockey, since last year, but lost to M.E. LaZerte. This year the same two teams entered the finals with Bonnie Doon defeating M.E. LaZerte with a single goal. (Isn't revenge sweet!?)

The girls' efforts and dedication were due mainly to Miss Holder who coached the team to perfection, throughout the season.

SCORERS OF THE SEASON

FRONT ROW: Heather Shepherd, Diane Daniels, Lisa Workun, Enid Murphy, Sherry Kadatz, Tracey Walker, Terrilyne Shoaf.

The 12 players of the Girls' Handball Team played 2 tournaments. To qualify for the Alberta Winter Games they beat Scona. Representing Edmonton they placed second at the Games. The team was aggressive with a strong defence and a very effective offence. The girls improved from game to game making this a very successful season.

The Girls' Soccer Team played a total of 10 games with a record that put them in sixth spot in the City Conference. The girls improved greatly under the excellent coaching of Mike Ulrich. Most valuable player was awarded to Bev Wolfert.

CROSS-COUNTRY TEAM

The team competed in four different City Meets. From these Meets, Enid Murphy and Roger Carl emerged as members of the City Team which competed at the Provincials.

At the Provincial Meets:

Roger Carl placed 3RD
Enid Murphy placed 1ST (Provincial champion)
GOOD WORK ENID and ROGER

INDOOR TRACK

Twelve athletes trained regularly during the winter and competed in two major indoor Meets.

- a) The Journal Relay Games
- b) The Klondyke Relays

The highlight of these Meets was the success of the girls' relay team, which came away with a FIRST PLACE FINISH.

Congratulations to the members of that team -

Yvonne Wemyss
Lisa Workun
Bonnie Hrushchak
Enid Murphy

INTER-SCHOOL-OUTDOOR TRACK AND FIELD

Bonnie Doon entered a team of 83 athletes in the various events and the team improved its standings over previous years.

In the - Zone Meet - Bonnie Doon placed 3rd.
- Divisional Meet - Bonnie Doon placed 6th

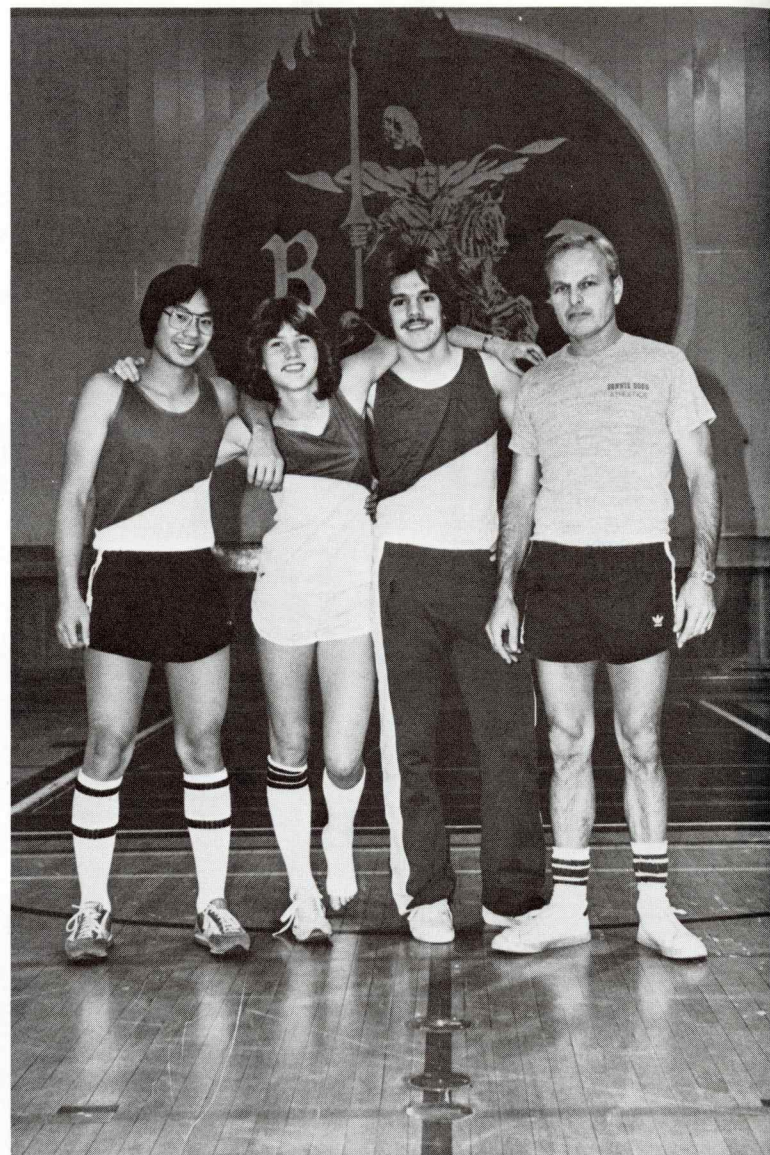

Seven athletes represented Bonnie Doon and the City at the Provincials:

Roger Carl - placed 1st in 800 meters
Trudy Antoniuk - placed 4th in the Hurdles (80m)
Harriet Collins - placed 4th in the 100 meters
Enid Murphy - placed 4th in the 800 meters
- placed 3rd in the 1500 meters

Relay:

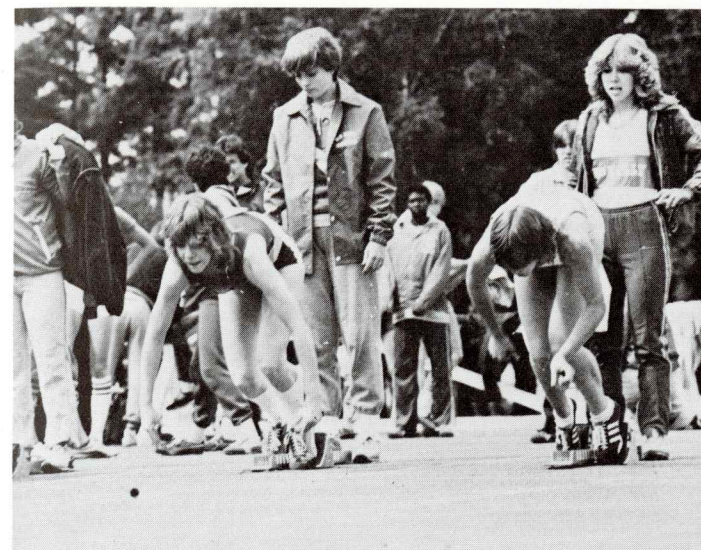

Harriet Collins - placed 5th in the Relay (4 x 100)
Trudy Antoniuk
Jacque Service
Colleen Basken

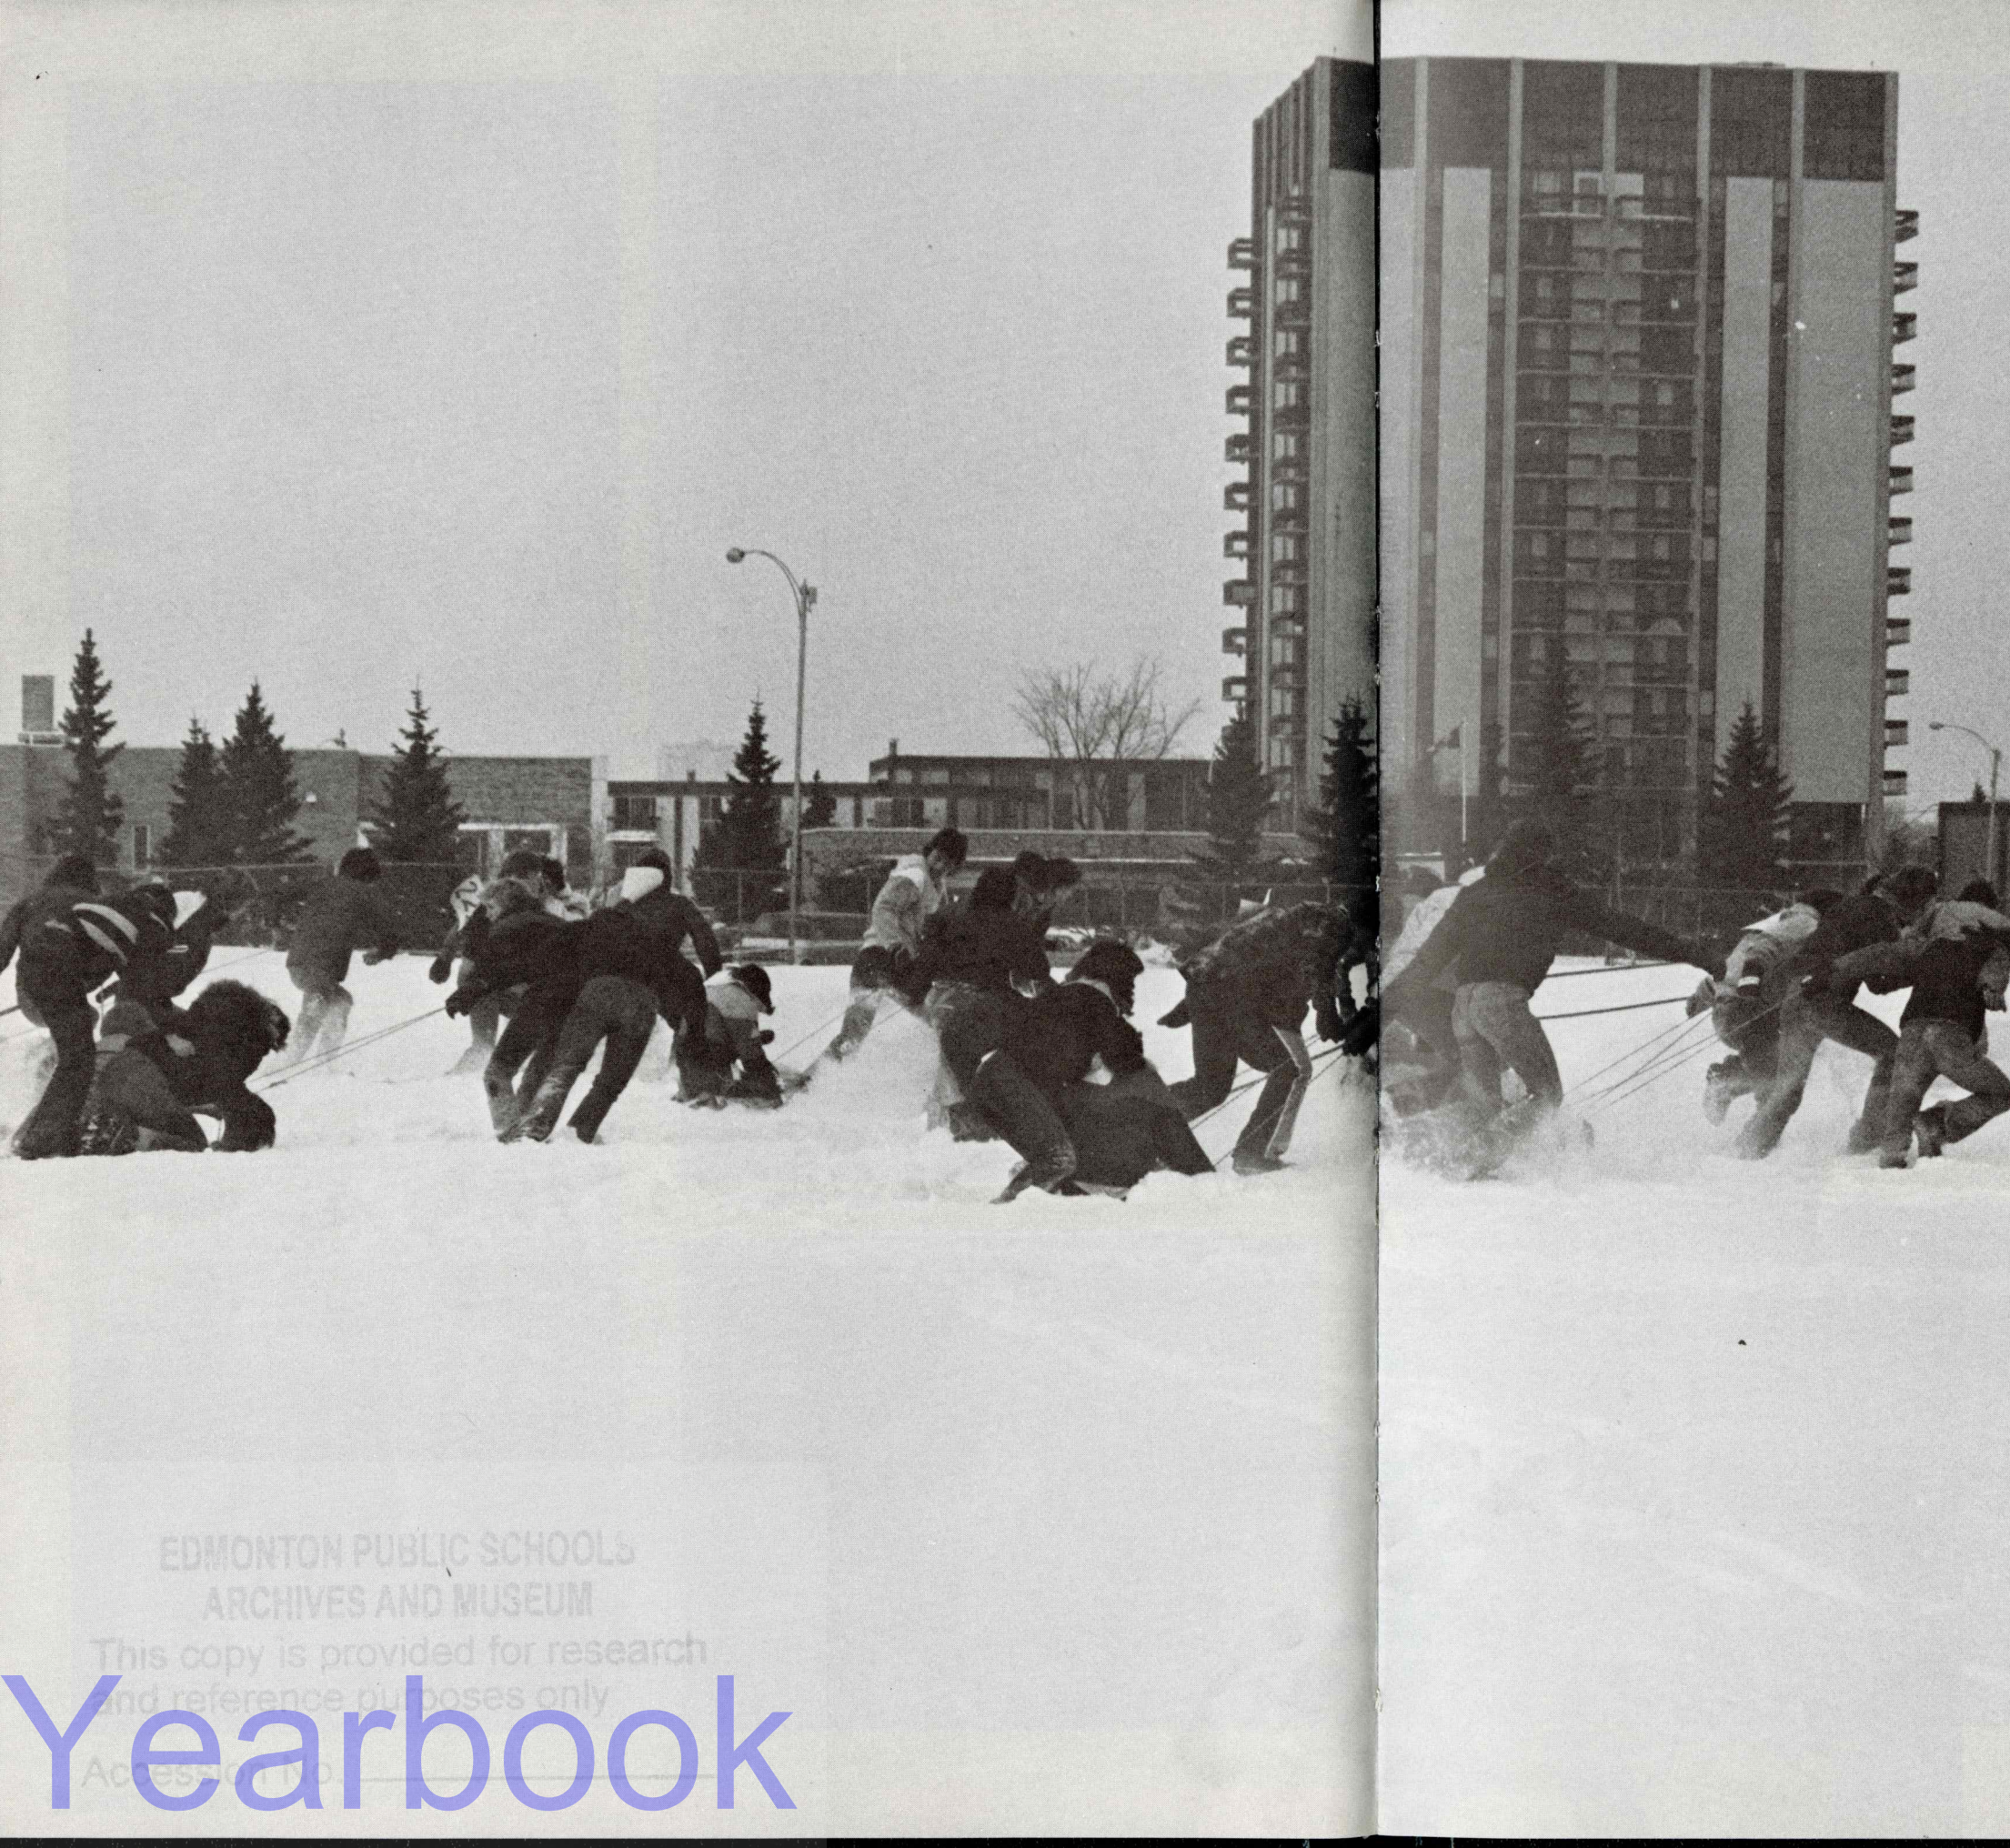

Congratulations to the team for the work, spirit, sportsmanship and the good results.

President's Message

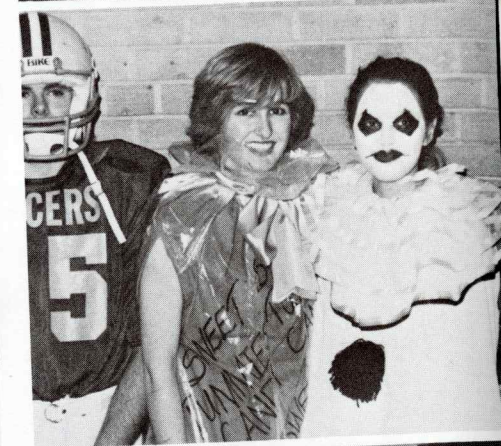

The Students' Union this year had a lot of dreams and ideas of ways to liven up the school. We figured there had to be something to do besides homework. And that's what we tried to show the rest of you. Of course we had our little flops but with the help of friends and teachers, many of our goals were successful.

On behalf of the Students' Executive, I would like to thank everyone for their support and especially Mrs. Heppell, who was always there to run to for help.

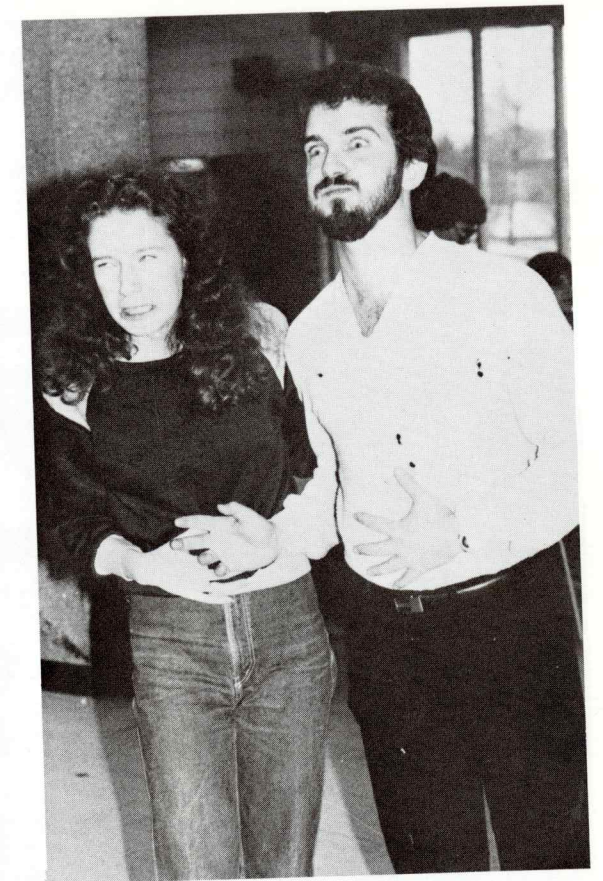

Thank you,

Cathy McMillan

The Other Side

of Reality!

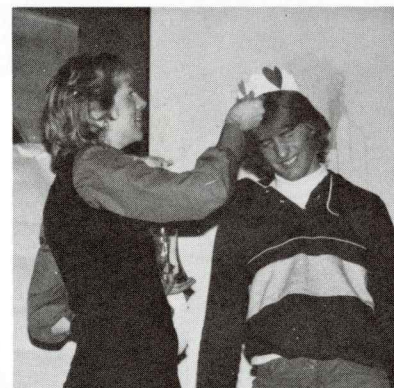

October 31st - a day on which the other side of reality was evident in the halls, classrooms and at the evening dance. It was not unusual to meet up with and converse with the Devil - or Dracula - or Ms. Piggy - or Monsterous Creatures - or ??????. For some, the transformation was a definite improvement!

October 31st - Halloween 71

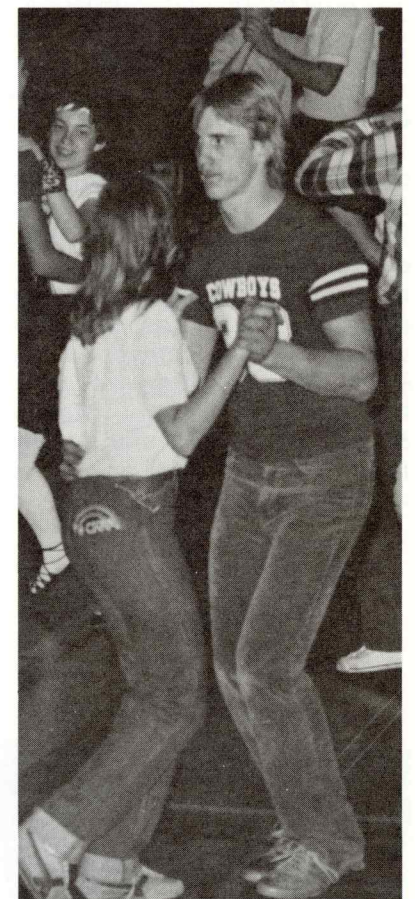

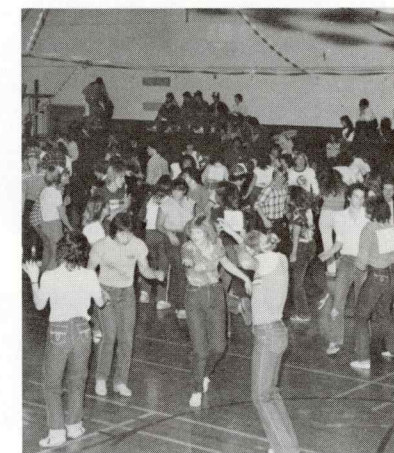

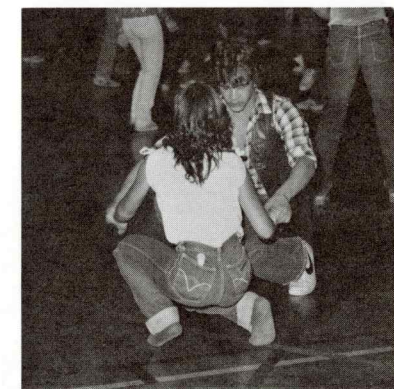

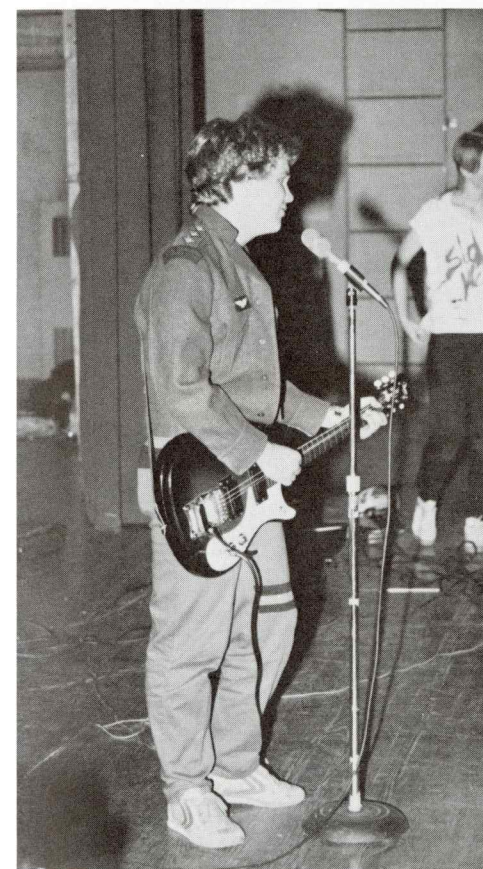

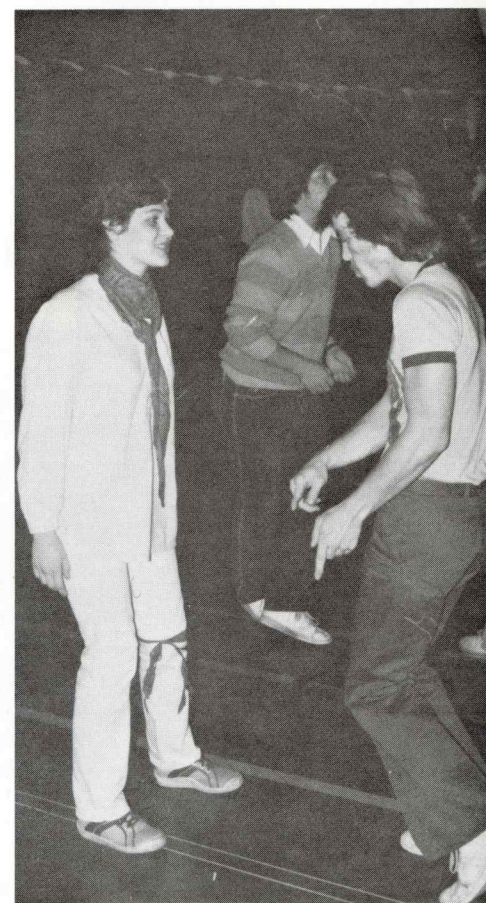

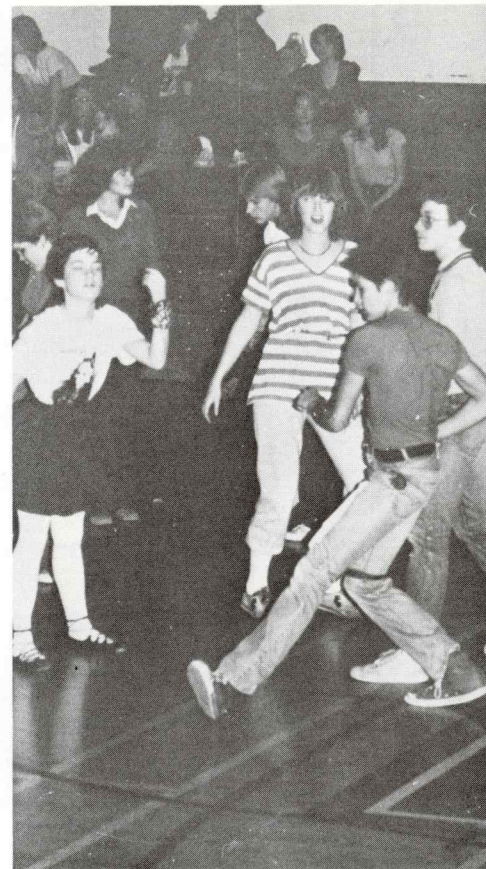

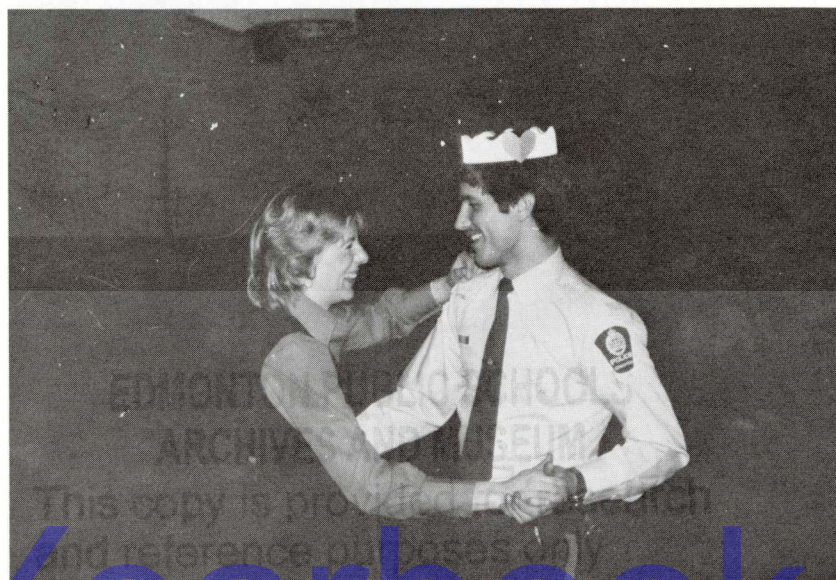

Dancing - The Night Away

Lori Assheton-Smith, Queen of Hearts

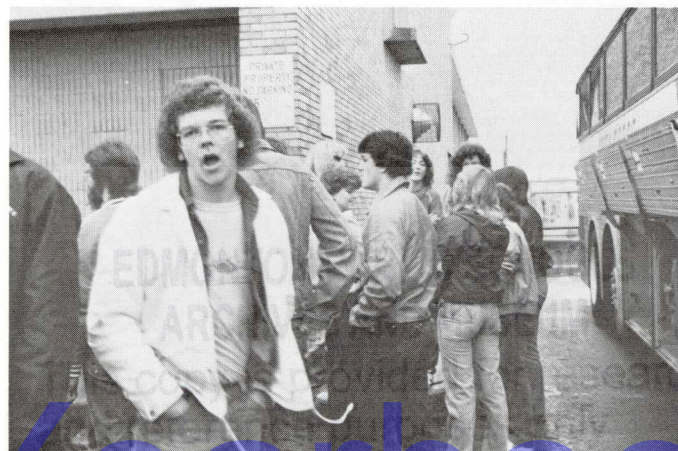

Wayne Bossert, King of Hearts

Whatever the motive, hundreds of Bonnie Doon students throughout the year took the opportunity to dance the night away at a number of themed and well planned dances. The greatest success of the year turned out to be the Dance Marathon. Because of its highly praised success it just might become an annual event at Bonnie Doon.

Travel

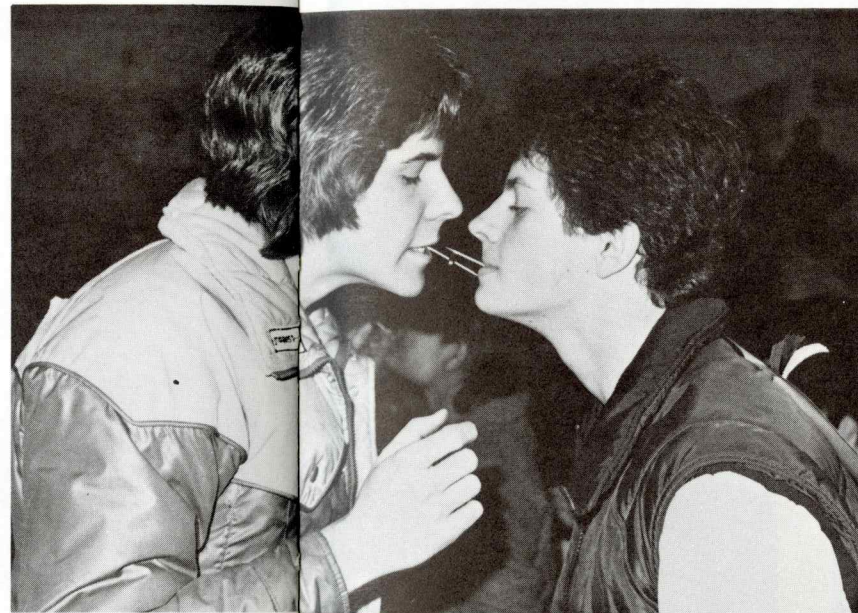

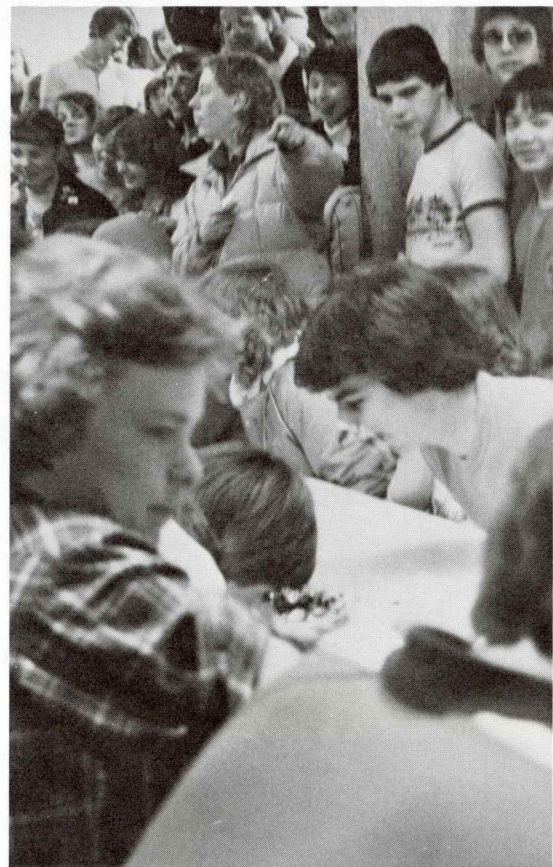

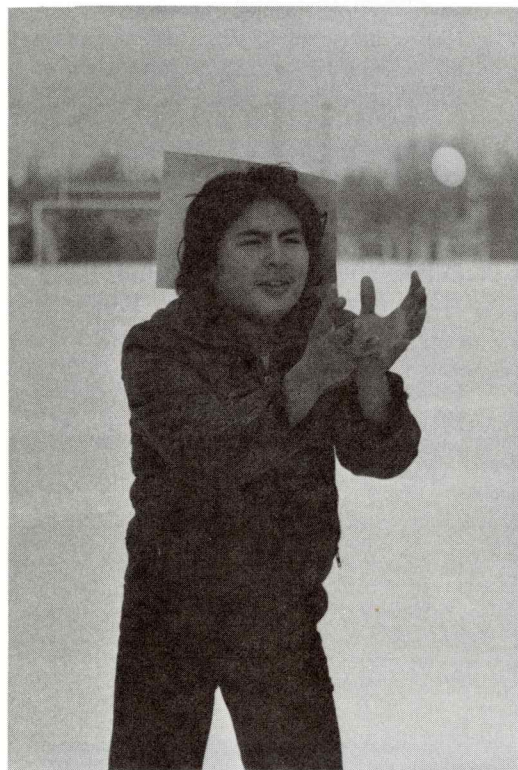

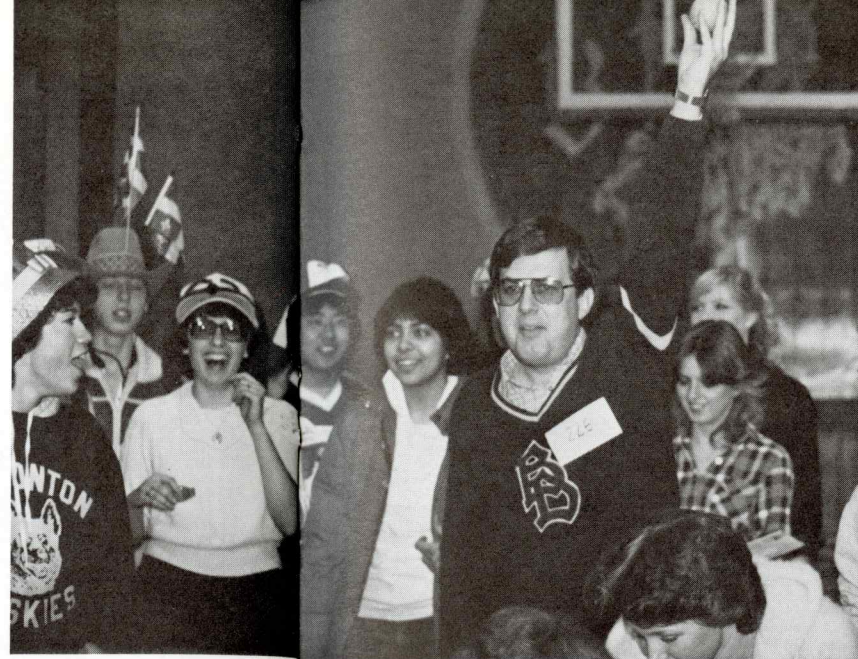

For the thirty-one students and three supervisors who went to France during the Spring Break of '82, the memories of the trip will linger on for years to come. The trip, which lasted thirteen days, immersed the group into a culture vastly different from their own. The trip provided various tours throughout the city, which led to the well-known museums and cathedrals, such as the Louvre and Notre-Dame. The group captured an unforgettable view of Paris in the spring, from the Eiffel Tower. One of the main streets of Paris, The Champs Elysees, leads directly to the well-known Arch of Triumph, which is crowded with people twenty-four hours a day. On the night tour of the city, it was one of the main attractions. From Paris, the group visited various cathedrals and small towns. A highlight of the trip was a visit to Mont-St. Michel, a spectacular abbey-town. The last days of the trip were spent in Paris.

Adventures

Travel adventures were also highlighted by our Bonnie Doon Bands performing in a variety of places. Our Stage Band went to Red Deer to play in the C.B.D.A. competition. They also competed in the National Stage Band Festival held in Edmonton. The Stage Band and the Concert Band also travelled to Moose Jaw to perform in a festival held there. They have also performed at both the Edmonton Centre and the Bonnie Doon Mall.

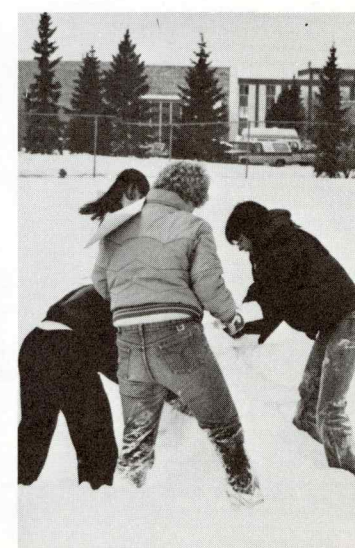

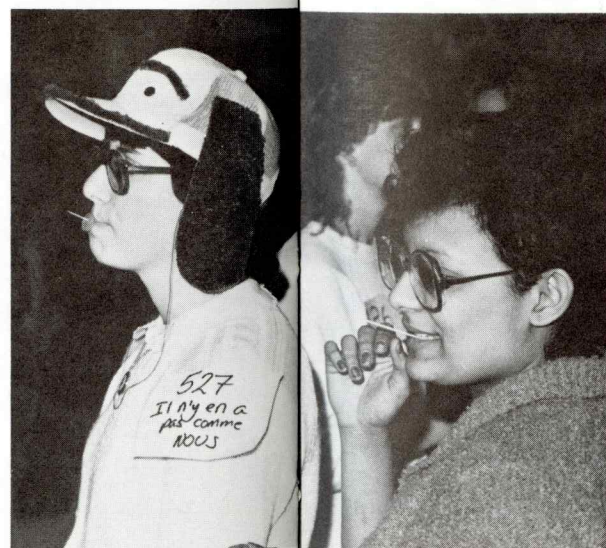

Bonnie Doon's Music Program has been honored by an invitation to participate in the Annual International Music Festival. Our Senior Band and Stage Band will travel to Vienna, Austria, where they will perform many concerts, as well as listen to other bands from the over fifty-five countries that will be represented.

Spirit Booster

Combining the Squeeze plus Rescue plus Eskimo Pie plus Mushy, Mushy plus Mr. Bradford and Get Cracken' with the highly competitive spirit of the Grade 10, 11 and 12 classes and knee-deep snow - you come up with a winner! The Winter Carnival held in March provided two hours of fun and entertainment for both the spectator and/or participant.

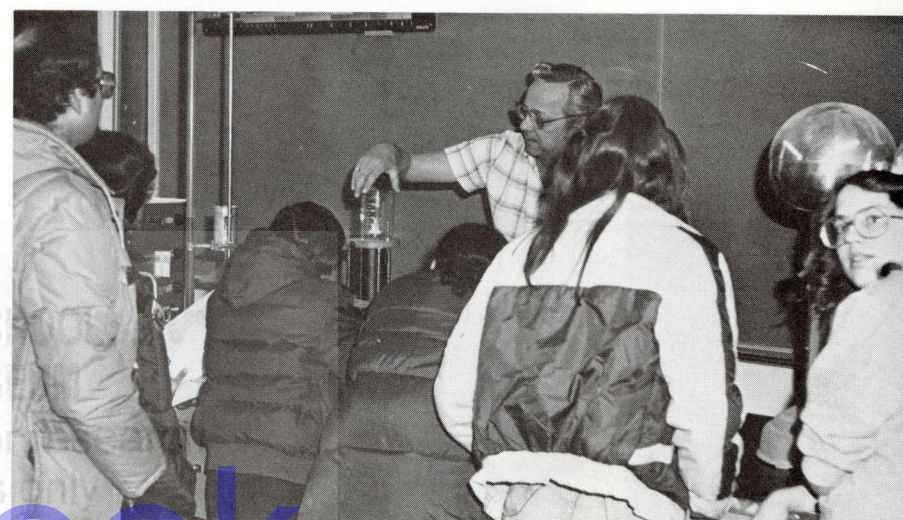

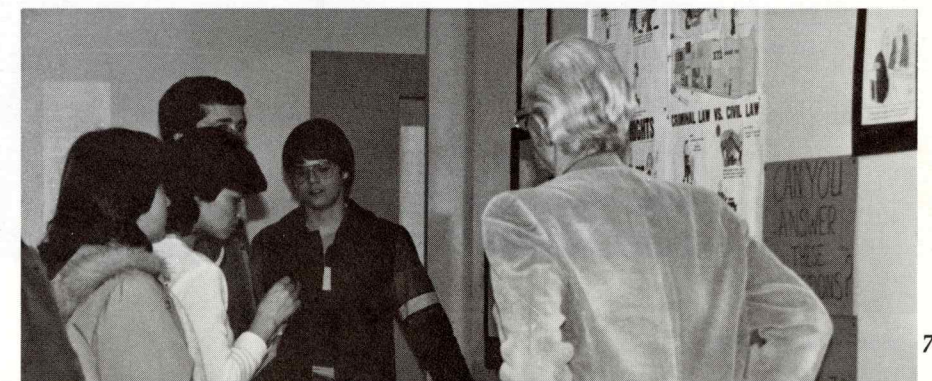

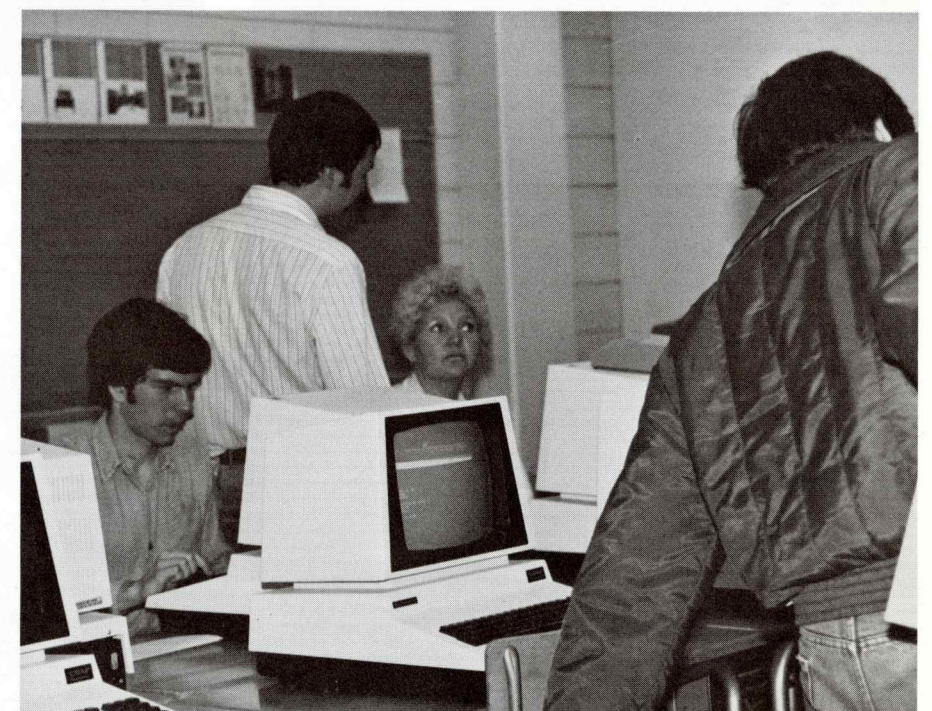

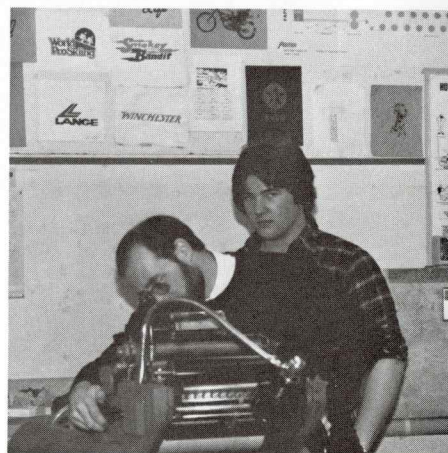

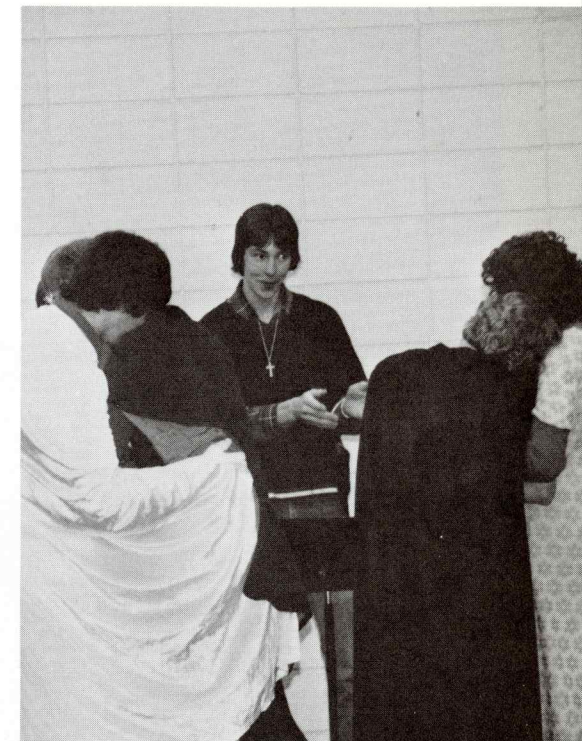

The purpose of the Winter Carnival was to boost the school's spirit. Congratulations go out to the Students' Union for reviving this once annual event and to all the students who participated in the various events. Perhaps next year the weatherman will cooperate with a little less snow - it's kind of hard to throw and try and catch an egg in knee-deep snow drifts!

The Inside Story

On March 17th, the Welcome Mat was once again put out for Bonnie Doon's annual Open House. Open House is our way of letting the community see what actually goes on in the school throughout the year. Each department had the responsibility of condensing the year's learning in one evening of displays and/or demonstrations.

The demonstrations and/or displays were not only informative but in many instances were very enjoyable and entertaining. SOME of the highlights of the evening were - the French plays and their cafe where one could stop for French goodies, skits and musical selections from the Drama and Music departments, Computer demonstrations (hands on) which were extremely popular and the Science department once again revealing the wonders of Science. The list goes on and on.

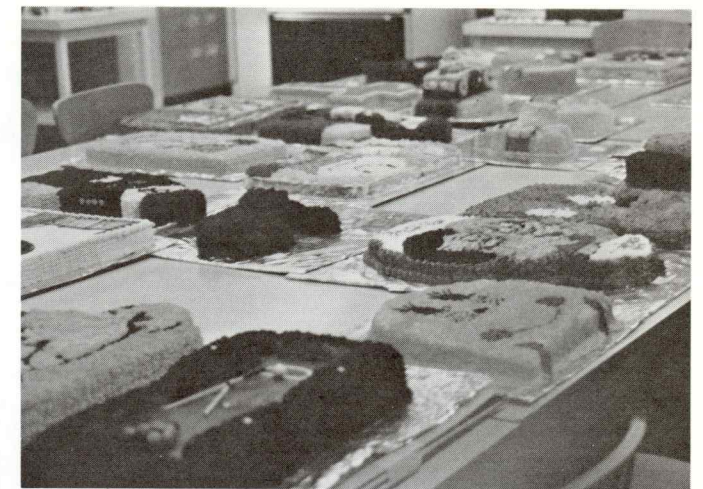

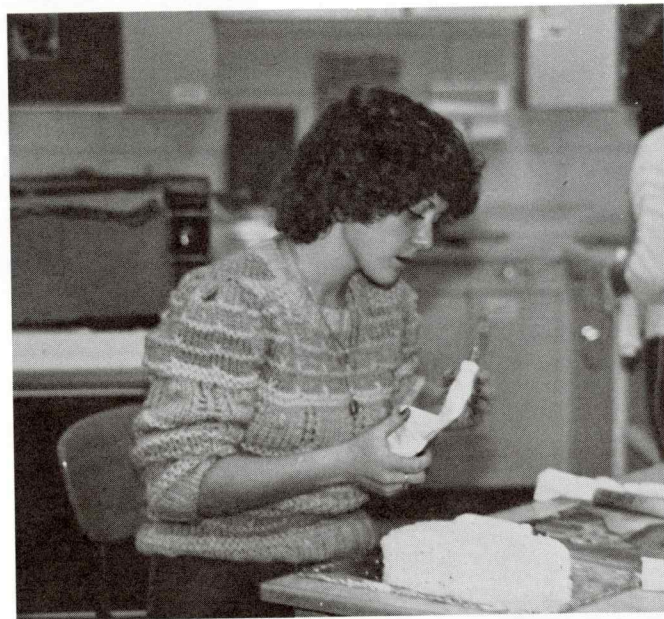

Purely for the Fun of It!

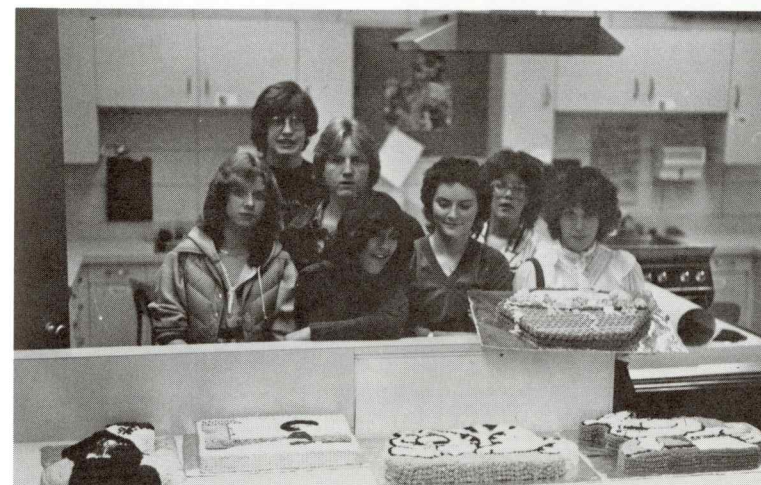

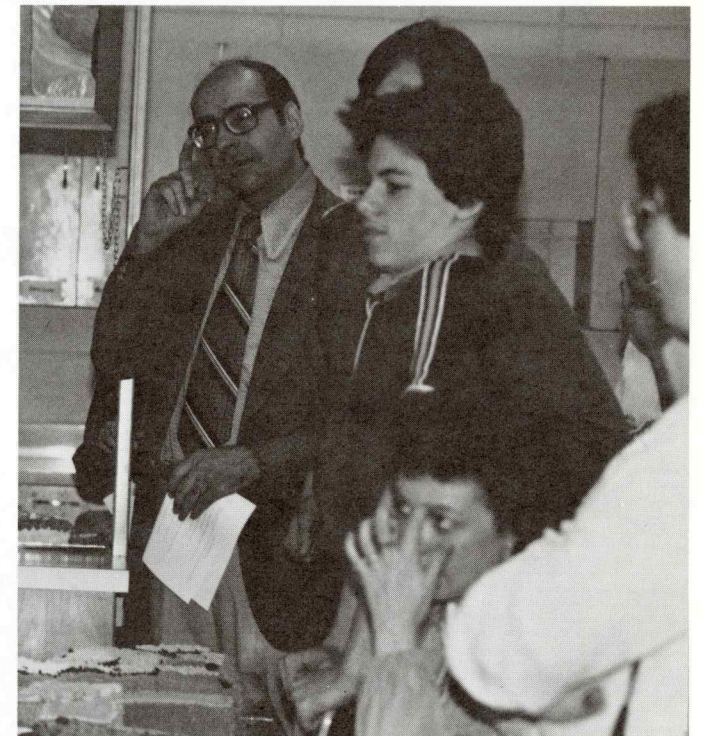

The annual Cake Decorating Contest, is a contest in which the senior Food Science classes participate. The individuals work on decorating their cakes in class and are evaluated by their teacher, Mrs. Milne, not only on their final product, but also on their effort. "What are the cakes judged on?" you ask. They are judged according to decorating techniques, originality, imagination, theme, and design.

Each student chooses his or her own theme. There are no moulds to use or recipes to follow, and so all decision making, such as calculating the amounts of ingredients needed for the batter, and choosing the right pan shape and size, is done by the students themselves.

The contest itself is purely for the fun of it. The prizes are "goofy", since Mrs. Milne believes that all the cakes are very good and deserve prizes.

The Winning Cake.

Winner!

Twelve Physics 30 students participated in this year's 11th annual Bridge Building Derby. Their main goal was to produce a bridge (made from balsa wood) which could hold a maximum load. The winner was based on results calculated as a quotient. The quotient was tabulated by dividing the maximum load the bridge supported (in grams) and the mass (also in grams) of the bridge. From this, the quotient told us how many times more the bridge supported its own weight.

With a quotient of 1680, Kurt Fiegel came in first. Gordon Hoffman came in second and Jane Thrall placed third, with quotients of 1410 and 1260, respectively.

A special guest at the Derby was Professor McGregor from the Civil Engineering Faculty at the U. of A.

R.V. CLARK CITIZENSHIP AWARD - Hinterleitner, Sandra

The year of 1979 and these now, well educated adults in front of me tonight entered the hallowed halls of higher academic achievement for the first time. As we entered the outstanding scholarly institution of Bonnie Doon, we asked ourselves the seemingly traditional question of most grade tens entering Bonnie Doon, "Didn't someone forget to turn on the lights?"

Well, to our amazement, we soon found that the lights were on, at least seven 25 watt bulbs guided our way through the cavern-like hallways of our new glorious school. A minor setback like this did not stop us brave, courageous and underachieving scholars. We set out with great pride and ambition to find our lockers; our classes and most importantly our cafeteria.

After we had survived the first couple of weeks of classes and frosh, it was time to start getting down to business. After all, mall and cafeteria 10 - 20 - 30 are extremely difficult courses which many of the graduates here, I am proud to say, passed with honor marks.

Football at Bonnie Doon was always something special. In grade 10 we young, amateur cheerers found ourselves in the middle of the city's best fans and connoisseurs of the finer beverages. With cheers of constant grace and class, we watched our football team get stomped into the dust. In grades 11 and 12, our football teams drew capacity crowds that raised the roof with their cheering and hollering. Tonight I would like to thank those four people.

Our volleyball teams have had their share of victories and defeats. In grade 10, the girls went to the semi-finals but in grade 11 they failed to make the playoffs. This year, however, they placed second in the city. In boys' volleyball, grades 10 and 11 were years of struggle that saw them into the final rounds of the playoffs. In this, our graduating year, they repeated their earlier performances losing hard fought games by only small margins.

With lots of spirit in them, B.D. fans watched our boys' basketball teams each year make it to the playoff but unfortunately come up a little short. Our girls' basketball teams clawed their way to the quarter finals in grade 10 and to the provincials in grade 11. In this our graduating year, they went to the quarter finals losing by only one point.

B.D.'s rugby teams, soccer teams and field hockey teams have done very well in the past three years of our stay at B.D. Several of the teams captured city championships.

B.D.'s music tradition of excellence is unsurpassed in the City of Edmonton and has filled thousands of ears around Canada and the United States with fantastic sounds.

The drama department, another proud tradition of B.D. produced several plays. In 79/80 the play was "Kind Lady", in 80/81 the play was "Listen to the Wind".

This year also saw the Red Cross Blood Donor Clinic return to our school. Some 118 or more brave donors set a new and humane example for the following grad classes to come. We unselfish donors gave willingly of our time because we got out of our morning classes and got free munchies and coke.

Tonight I'd like to thank the counsellors, the teachers and our parents who made it possible for us to be here. Thanks to the administration who ended one tradition, but started another by installing new lights. We went from candles and flashlights to help ourselves see, to beach towels and Copertone, to help with our tanning in class.

Finally, thanks to many of the graduates for the memories which will be cherished for the rest of my life.

Ted Hickey

Tonight is a night from which memories are made. It is the evening that confirms our journey from childhood to adulthood. We have lived sheltered lives in going to school, but are now ready to go on. Twelve years ago we looked towards our school days; today we look back. These last years may have seemed long, but they have been well worth the effort. Each and every one of us has acquired something valuable and precious. An education. It is something so very special because it can never be bought or taken away. Perhaps even more than knowledge, however, education has for its object the formation of character. In these last years each of us has grown and matured in many ways. B.D. has influenced all of us in developing definite traits that distinguish and make us individuals.

Tonight, grad is an end to a part of our lives as we have known them, but it is only a beginning to a much wider choice of options. Throughout our lives we have had many dreams about what we wanted to do or become. Holding onto these dreams has made us patient. Now is our chance to follow them because we can now begin to make decisions for ourselves. For some of us, B.D. represents the end of our schooling. We can now pursue our chosen careers or trades. For those of us continuing our schooling, B.D. has been just a stepping stone in our educations. Whatever the case may be, I hope that each and every one of you achieve your goals and are successful at what you do. Don't be afraid to pursue success because you are afraid of failing. Remember that "failing is not falling, but in failing to rise when you fall." I sincerely hope that you are all happy at whatever you undertake, whether your idea of happiness be a measure of money, health or love.

Although we have learned much through our education, our accomplishments are also due to many other people. To our teachers, we thank you for your constant guidance and support. To our parents, we thank you for your continual love, patience and faith in us. To our friends, we thank you not only for the laughter, but also for the tears. For without them none of us would be human. All of you have watched us grow, stood by us and taught us what life is all about. Without you, we would not be who we are today. Though we often forget to say it, we do appreciate and thank you.

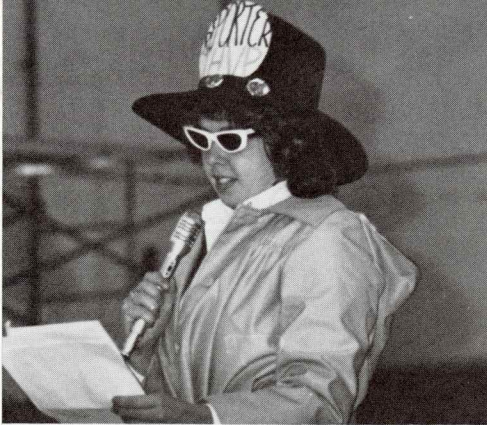

Since this is probably the last time that we will all be gathered together, take advantage of it! Cherish these moments with the many friends you have made. And although we should look ahead, I don't think that we shall ever forget our great memories of Bonnie Doon Composite High School.

Before I close, I would like to leave you with one thought:

"Today is yesterday's future. The time you used to dream about. Don't waste it by dreaming about tomorrow. Wake up, claim it! That wonderful future is now!"

Welcome Summer

The Students' Union and the Grad Council welcomed the summer with a final, year end dance. The music was supplied and co-ordinated by Ron Campbell and John Phillips. The evening was highlighted by "Deana" Galloway in his/her grass skirt and pink, kleenex stuffed bra.

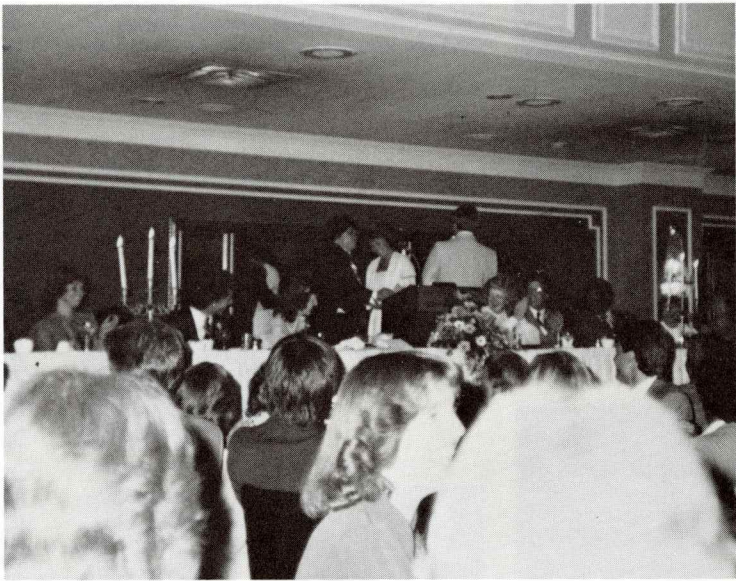

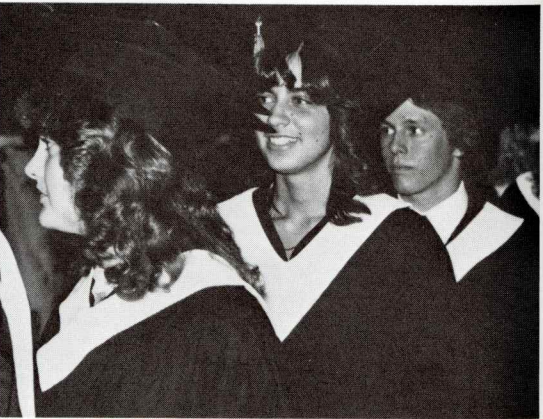

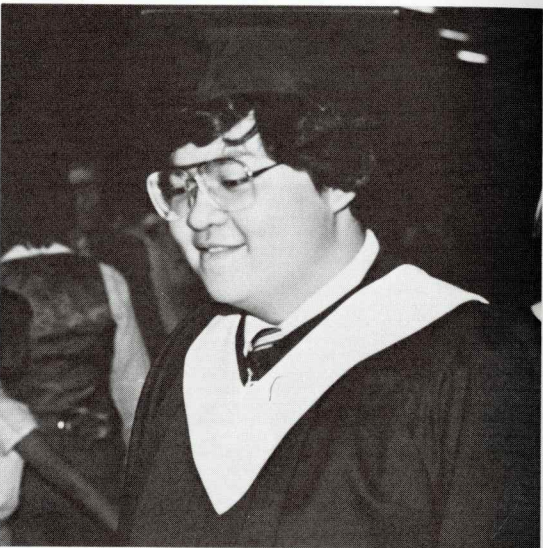

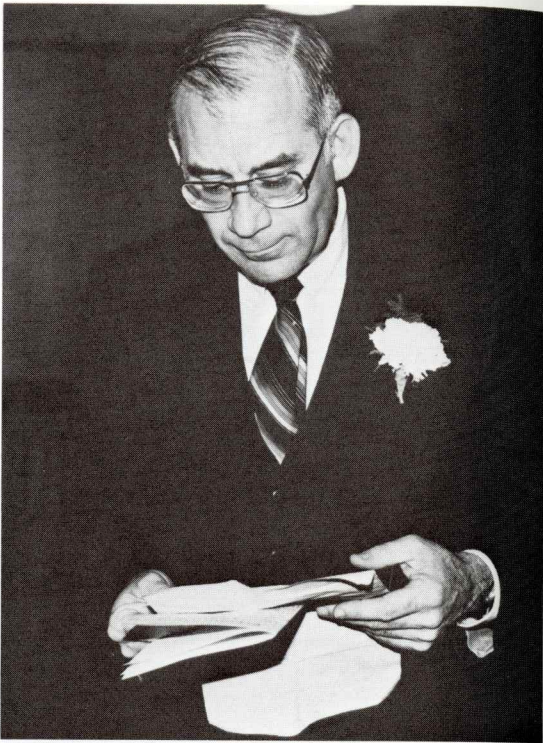

On the evening of Tuesday, May 4th, 1982 the Graduating Class of '82 hosted their mothers at the Annual Graduation Tea. The Graduating Class of '82 provided the entertainment which was both varied and international in flavor. The Grad Class and their mothers had the pleasure of seeing Dalcyce Robertson, the Ukrainian Dancers, and the Greek Dancers perform at their best. The evening was rounded out by speaker Jo Green, offering suggestions to grads about their futures, and thank-you's to moms for all their time and help.

The Grand Finale, which brought back fond memories of days past, was a slide presentation featuring the '82 Grad Class during their babyhood days!

On June 4th, 1982 the Graduating Class of Bonnie Doon Composite High School gathered at the Jubilee Auditorium, for the first time in caps and gowns, to participate in the graduation ceremonies, ably sponsored by Mrs. Heppell and the Grad Council. The evening was marked with speeches presented by Mr. Norby, Mr. Bradford, and the guest speaker, Mr. Pat Dawson.

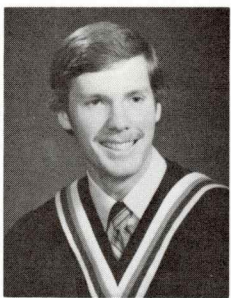

At the Grad Banquet, held the following day at the MacDonald Hotel, over 500 graduands, friends, and parents attended. Everyone was dressed to perfection, with many original and exquisite dresses and outfits worn by the ladies. The gentlemen (and Betty) stood out in their tuxedos. Excellent dining and dancing were enjoyed by all.

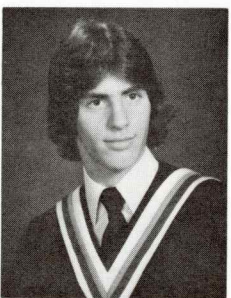

TERESA ADAMS -- "To look forward with hope is to never look back with regret, for life is movement!" Her memories are Stagette '81, good times with the "Wenches" (S.Y., A.C., B.B., L.J., L.B., S.A.) The Grade 10 fan bus. Teresa plans to win the Super Loto and conquer the world.

DARREL ALGER -- "If we are all millionaires, who will work for who?" Darrel remembers Grade 10 Frosh, Social/English 20, Skiing, and Cafeteria 10, 20, 30. He plans to attend the U. of A., then become Prime Minister of Canada.

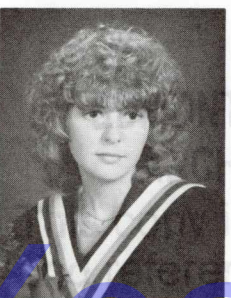

DAVID ALLEN -- "You only live once so fool around now before it is too late." David remembers parties, listening to Dick BS, taking a cafeteria break all day, carrying R.L. home and watching the women. He plans to go to NAIT and apprentice as a Carpenter.

The Best of Times ...

are when we are young, spending time with our friends, and sharing memories that were ours together. Remembering the people who passed through our lives, and the dreams that aspired from our youth. Looking back on our time in High School as a time full of laughter, tears, and unexpected fears. Trying to decide what the future might hold, while at the same time trying not to let go of our freedom. Maturing, evolving, becoming the generation of the 80's. But we will always remember these times as the BEST OF TIMES as we follow our destinies and take our separate paths. This will always be remembered as the time we spent together ...

Yearbook

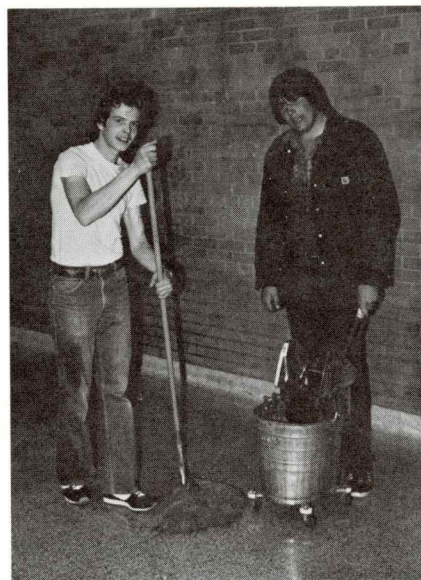

There are places we'll remember all our lives ...

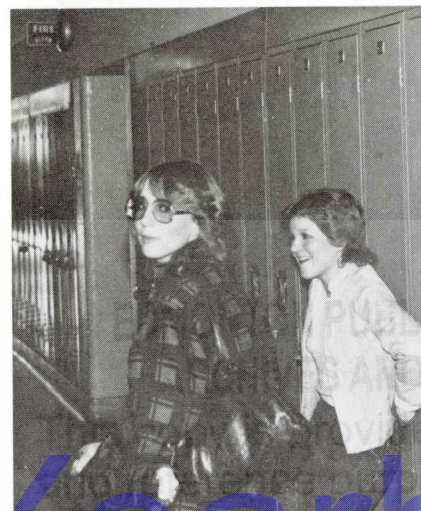

What an assortment of unforgettable characters we've met here ...

Wherever we go, whatever we do, the days we've spent here shall always be special ...

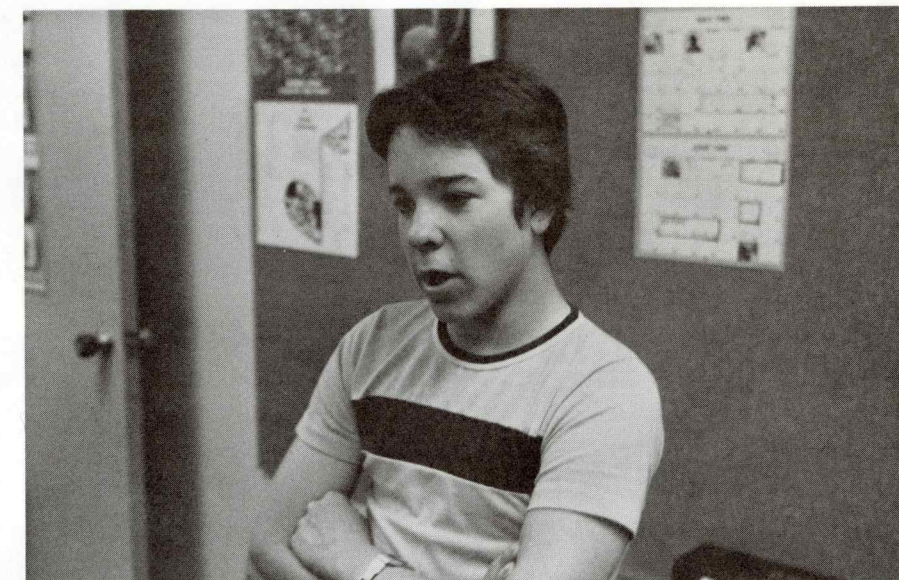

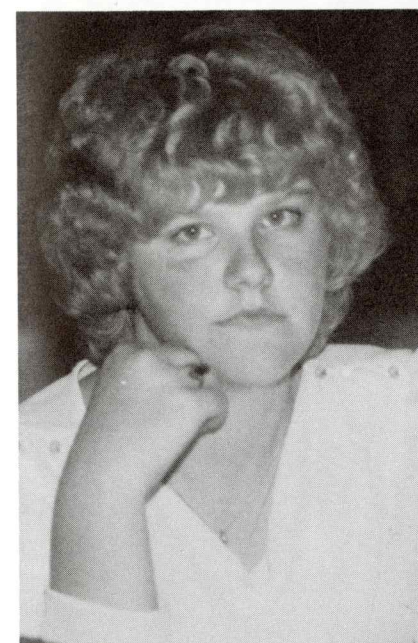

All these places had their moments ...

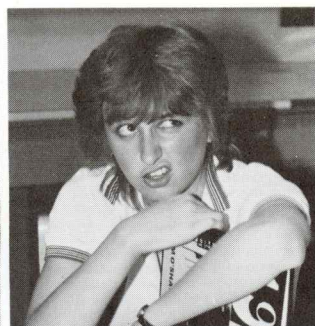

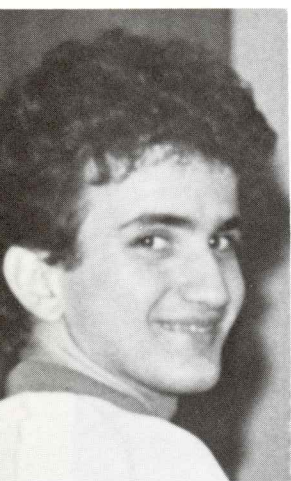

The good friends and all the together times we shared ...

Times we worried together and times we celebrated ...

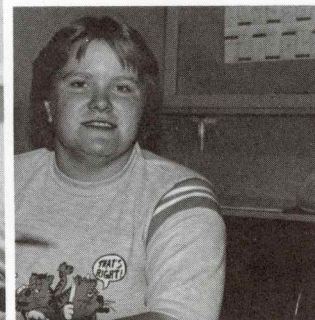

Someday down the road our paths may cross again; it doesn't really matter when ...

The

Tam

This year, the Tam O'Shanter did not have the usual Editor and Assistant Editor to plan and coordinate the Yearbook from its beginning to its end. Instead, it was comprised of what might be termed "staff" who individually or in pairs took on the responsibility for the completion of certain events and/or sections of the Yearbook.

Members of this year's Tam O'Shanter staff were in alphabetical order:

Darlene Choma
Diane Fischer
Chris Gotowik
Melissa MacRae
Angie Mak
Milena Mirjanic
Ms. C.J. Olynky, Advisor
Mike Papanikolaou
Heather Rosell
Leslie Stratton
Grace Sweet

Whether viewed from the back or the front, the Photography Club under the direction of Mr. Gainer looked great to the yearbook staff who depended on their expertise to make available the pictures presented in this Yearbook.

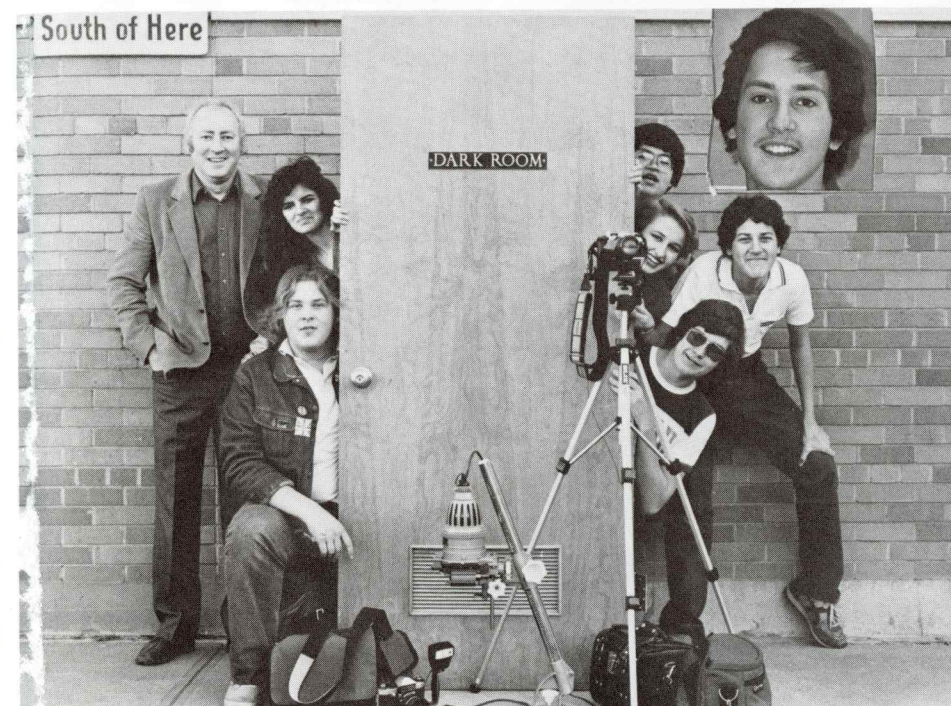

Sincere thank-you's go out to:

Leo Boyer
Ed Fong
Janet Khalil
Chris Menard
Milena Mirjanic
John Phillips
Marinos Scinta

Extra special thanks goes out to Mr. Gainer for the extra hours that he put in after school in order to make sure that we had the best possible pictures available for this Yearbook.

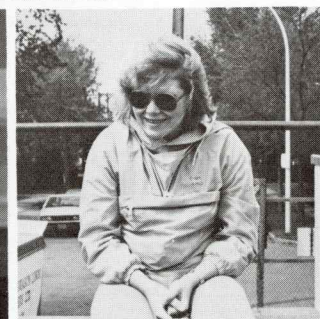

Although Ron Campbell was not a member of the Photography Club - he also deserves a vote of thanks for the pictures that he contributed.

THANKS -
YOU WERE ALL GREAT!

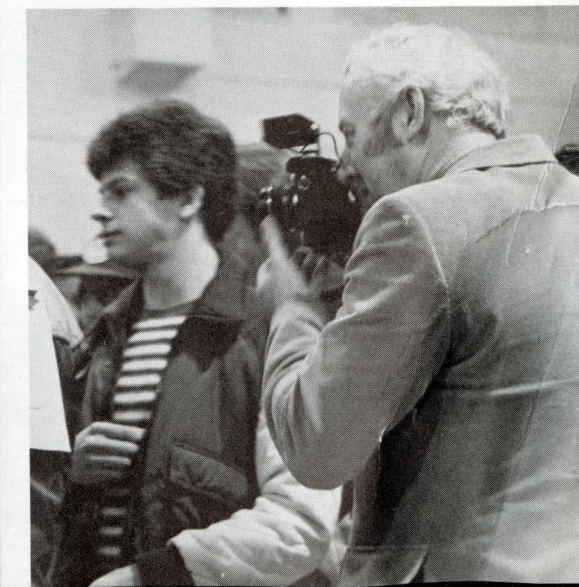

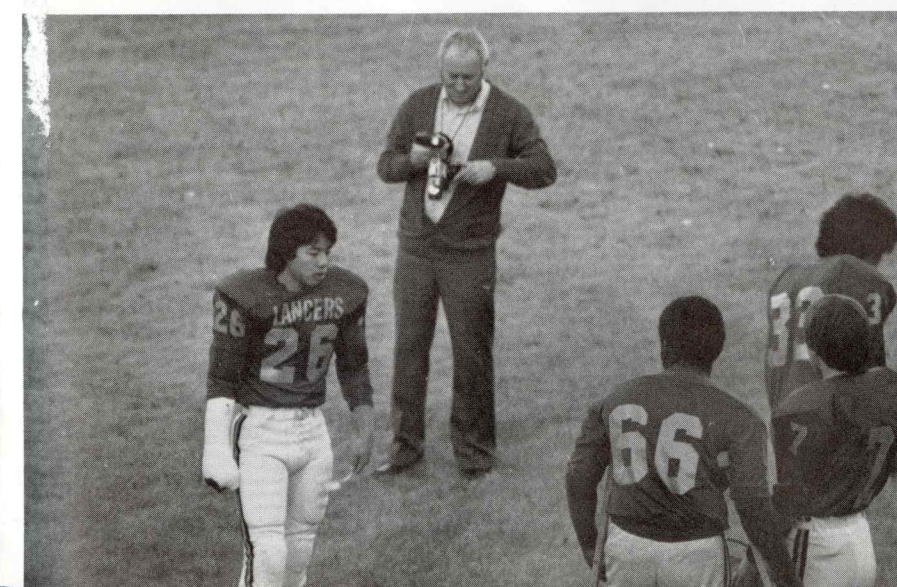

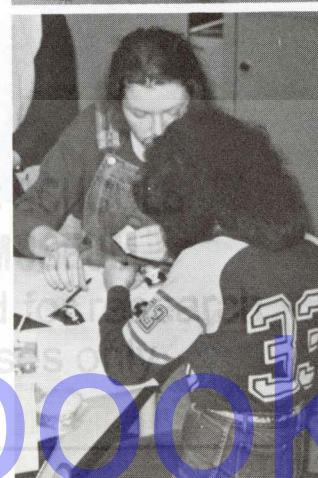

Special thanks are due to:

- the Yearbook staff
- Dick Huber, our ICP representative
- Mr. Gainer and his photographers
- all the Coaches who supplied us with material for the write-ups for their various teams
- the staff members who provided encouragement and support and/or provided us with write-ups for the various activities they sponsored
- the students - without whose support, we could not survive.

SCHOOL

Organized by the Students' Union, Bonnie Doon held its first Dance Marathon, to raise money. It turned out to be a great success.
Our annual Teachers vs. Students hockey game ended with the students humiliating Eastcott and the teachers.
During the month of February, Bonnie Doon participated in a funfilled winter carnival.
This year, during the Spring Break, some 40 Bonnie Doon students went to France and brought back alot of pleasant memories.
As the school year proceeded, Bonnie Doon shared the presence of some famous authors in their English classes. Pauline Gedge and Patrick Gilese were among them.
The girls' field hockey team did so well, they travelled to Victoria, B.C. to represent us as city champions.
